NOTICE OF OPPOSITION

TAKE NOTICE that the Registrar is in receipt of a notice of opposition filed on the 8th day of January, 2021, by Intercontinental Great Brands LLC (The Opponent), of 100 Deforest Avenue, East Hanover, NJ 07936,, U.S.A., against trademark Application No.15764.19, filed on the 8th day of November, 2019, by Orange Bank, Inc. (The Applicant), of 13115 Telfair Ave., Sylmar, California 91342, United States of America, for the registration of the following trademark, as proprietor thereof:

BANG

The Opponent opposes the above trademark Application on the grounds that:

1. The Opponent, Intercontinental Great Brands LLC, is the proprietor of the locally and internationally well-known trademarks

“” and “”, which are registered in Belize and in many countries worldwide.

The details of the opposing trademark registrations are as follows:

- Registration no. 272/TM/2002  for goods in class 32 for “minerals and aerated waters and other non-alcoholic drinks; syrups, powdered mixes and other preparations for making drinks; fruit juices and fruit drinks.”, registered on 01 September 2002; and
 - Registration no. 504/TM/2002  for goods in class 32 for “aerated waters and other non-alcoholic drinks; syrups, powdered mixes and other preparations for making drinks; fruit juices and fruit drinks.”, registered on 04 April, 2002;
2. By virtue of these trademark registrations in Belize, pursuant to section 24 (1) of the Trade Marks Act, The Opponent has exclusive rights in the trademarks, and pursuant to section 38 (1) of the Trade Marks Act, The Opponent’s said trademarks are “earlier trademarks.”
 3. The Opponent has been commercializing different products in class 32 under the trademark “TANG.”
 4. By virtue of its extensive use, promotion and advertisement of its said trademarks in Belize, the word “TANG” is distinctive of The Opponent and its goods, including its widely known non-alcoholic drinks. The word “TANG” is not common to goods in class 32, and accordingly the same is exclusively associated with and distinctive of The Opponent’s goods.
 5. The trademark application which The Applicant, Orange Bang, Inc. has applied to register, namely, “BANG” No. 15764.19, is very similar phonetically and visually to the Opponent’s earlier trademarks since they only differ in 1 letter.
 6. The application for “BANG” is in respect of goods in class 32, namely, “non-alcoholic beverages.” The goods are identical or similar to goods for which The Opponent’s said trademarks are registered and used.
 7. “TANG” deserves a further scope of protection due to its inherent distinctiveness as a fanciful word.
 8. By virtue of paragraphs 4 and 5 above, the trade mark application for “BANG” is not eligible for registration pursuant to Section 37(2) of the Trade Marks Act, as there exists a likelihood of confusion on the part of the public, including likelihood of association with The Opponent’s earlier trademarks.
 9. Further and/or in alternative, The Opponent’s earlier trademarks has a reputation in Belize and throughout many other jurisdictions, and the use of “BANG” by The Applicant would take unfair advantage of and be detrimental to the distinctive character and reputation of The Opponent’s earlier trademarks. Accordingly, registration of The Applicant’s “BANG” ought to be refused pursuant to Section 37(3) of the Trade Marks Act.

10. Further and/or alternative, the Applicant's use of "BANG" in Belize is liable to be prevented by the law (in particular the law it relates to the tort of passing off), and accordingly same is not registrable by virtue of Section 37(4) of the Trade Marks Act. The trademark application for BANK (Wordmark) is not eligible for registration pursuant to Section 37 (4) of the Trade Marks Act, by virtue of law of passing off due to its similarity with the earlier registered trademarks for TANG.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

DATED this 5th day of March, 2021.
