1. CONSORCIO COMEX, S.A. de C.V. (hereinafter referred to as COMEX) was founded in Mexico in 1952 and has since been producing paints and paint related products in Mexico, Central America and the United States.
2. Through the world's largest network of paint stores Comex provides paint solutions in around 4,000 branches independently owned and operated by more than 775 dealers in Mexico and more than 90 centers in Guatemala, Panama, El Salvador, Honduras, Costa Rica, Nicaragua and Belize.
3. Comex also sells its products in other channels through regional retailers and wholesalers, as well as direct sales to final consumers, in addition to the more than 1600 shopping centers, home centers and hardware stores in which Comex has a presence.
4. The company has more than 4,000 employees, eight plants that have quality certifications, six distribution centers, three technology development and training centers in different areas; the CIP Polymer Research Center; the Visual Color Evaluation Laboratory, LEV, unique in Latin America; and the Integral Training Center IFC. Comex also has a Professional Specification Center located in Mexico City.
5. The trademark "COMEX" was created by the Opponent and has been used worldwide in relation to paints and related articles. The "COMEX" brand is known worldwide and has been registered globally.
6. The first "COMEX" mark in Belize has been registered as early as 2002 with subsequent marks being registered in 2018 under registration numbers 663.02, 14590.18 and 14589.18.
7. The mark contained in the Applicant's said Application No. 14887.18 contravenes section 37(2)(b) and 37(3) of the Trade Marks Act as the Applicant Mark "COMIX" is similar to the earlier trademark "COMEX" and is to be registered for goods similar to those for which "COMEX" is protected and there exists a likelihood of confusion on the part of the public, which includes a likelihood of association with the COMEX marks.
8. The Applicant Mark is similar to the earlier trademarks "COMEX" (word design marks), and although some of the goods are not similar to those for which the earlier trademark is protected, Comex has a reputation in Belize and the use of "COMIX" would take unfair advantage of, or be detrimental to, the distinctive character or reputation of the earlier marks.
9. The Opponent's mark is a well-known trade mark which qualifies for protection under the Paris Convention for the Protection of Industrial Property, in particular but not limited to Article 6bis thereof, which is given full effect under Belize Law (being the Trade Marks Act, Chapter 257 of the Laws of Belize, Revised Edition 2000).
10. The Opponent's trade mark is entitled to protection under the Paris Convention as a well-known trade mark and as an earlier trade mark pursuant section 38(1)(b) of the Trade Marks Act.
11. Further, and in the alternative, the mark contained in the Applicant's said Application No. 14887.18 contravenes section 35(6) of the Trade Marks Act and should not be registered by virtue of the fact that the Applicant's application for registration of the said mark is made in bad faith.
12. The Opponent respectfully requests that the subject application for the Applicant's trade mark be refused registration.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

DATED this 1st day of November, 2019.
