## EXPERIENCE WHAT'S INSIDE

in respect of:

- (a) International Class 9 for computers; handheld computers; minicomputers; computer hardware; integrated circuits; computer chip sets; semiconductor processors; semiconductor chips; microprocessors; printed circuit boards; electronic circuit boards; computer motherboards; microcontrollers; data processors; central processing units; semiconductor memories; computing memory storage devices; flash drives; software programmable processors; digital and optical microprocessors; computer peripherals devices; video circuit boards; audio circuit boards; audio-video circuit boards; video graphic accelerators; graphics accelerators, graphic cards and video processors; videoprocessor boards; electronic security apparatus and surveillance apparatus, namely, computer hardware, computer chips and microprocessors optimized for electronic security surveillance; algorithm software programs for the operation and control of computers; computer operating system software; computer system extensions, tools and utilities in the field of application software for connecting personal computers, networks, telecommunications apparatus and global computer network applications; computer hardware and software for enhancing and providing real-time transfer, transmission, reception, processing and digitizing of audio and video graphics information; computer firmware for use in operating and maintaining computer system programs; computer utility software and other computer software used to maintain and operate computer systems; computer installations; personal digital assistants; portable and handheld electronic personal organizers; security systems for computer hardware and software, namely, firewalls, network access server hardware for creating and maintaining firewalls, virtual private network (VPN) computer hardware and computer server operating software for creating and maintaining firewalls; security software for access and control and security of computer and communications systems; computer hardware and software for use in protecting computer networks from data theft or damage by unauthorized users; computer voice accelerator boards; computer processing software and computer operating systems for network management; telecommunications apparatus and instruments, namely, computer routers, hubs, servers and switches; computer hardware and software for the development, maintenance, and use of local and wide area computer networks; computer networking hardware; set-top boxes; electronic control devices for the interface and control of computers and global computer and telecommunications networks with television and cable broadcasts and equipment; apparatus for testing and programming integrated circuits; computer servers; computer hardware and software for creating, facilitating, and managing remote access to and communication with local area networks (lans), virtual private networks (vpn), wide area networks (wans) and global computer networks; computer software and hardware for use in providing multiple user access to a global computer information network for searching, retrieving, transferring, manipulating and disseminating a wide range of information; computer software tools, namely computer utility software for the facilitation of third party software applications; computer hardware and software for wireless network communications; downloadable electronic publications in the nature of newsletters, books, magazines, journals, brochures and white papers in the area of electronics, semiconductors, integrated electronic apparatus and devices, computers, telecommunications, entertainment, telephony, and wired and wireless telecommunications; electronic instructional manuals downloadable from a global computer network; global positioning system (GPS); vehicle navigation computers; wireless devices for transmitting digital data and voice from motor vehicles; vehicle infotainment systems, namely mobile internet computers, radios, televisions and audio video display units;
- (b) International Class 38 for telecommunication and communication services, namely, transmission of voice, audio, visual images and data by telecommunications networks, wireless communication networks, the internet, information services networks and data networks; transfer of data by telecommunication; providing multiple user wireless access to the internet and communication networks; providing for the transmission of voice, data, graphics, sound, video images, and multi-media content via wireless communication networks and the internet; voice over internet protocol (VOIP) services; broadcasting services and provision of telecommunication access to voice, data, graphics, sound, video, and multimedia content; teleconferencing; electronic transmission and streaming of data, audio, video and multimedia content; internet broadcasting services; electronic transmission and streaming of data, audio, video and digital media content for others via global and local computer networks; wireless broadcasting; providing electronic telecommunications connections through optical networks; telecommunications consulting; providing on-line chat rooms and electronic bulletin boards for transmission of messages among users in the field of general interest; electronic messaging;
- (c) International Class 41 for training services in the fields of networks, network system design, network operation, network maintenance, network testing, network protocols, network management, network engineering, computers, software, microprocessors and information technology; entertainment services, namely, organizing exhibitions for computer gaming, providing on-line computer games, and organizing community sporting and cultural events; providing on-line publications in the nature of magazines, newsletters, journals, books and brochures in the areas of photography, imaging and related goods and services; education services, namely, providing seminars, courses and tutorial sessions in the field of digital imaging via global computer networks; computerized on-line education services, namely, providing classes, seminars, tutorial sessions, conferences and workshops in the field of computers, computer hardware, microprocessors, software and computer networks; educational

services, namely, providing interactive tutorial sessions and courses in the nature of how-to guides, tips and techniques, expert guidance and advice, all relating to the purchase, use, care, maintenance, support, upgrading, updating and configuring of computer hardware, computer software, computer networks, teleconferencing and communications goods and services; educational services, namely, conducting classes, seminars, conferences and online educational forums in the field of computer and software use, navigation over global computer networks, computer science and technology, computer management, and distributing course materials in connection therewith; developing and disseminating educational materials designed to increase technology literacy among students; education and training services in the field of online business solutions;

- (d) International Class 42 for computer network management services, namely, monitoring of network systems for technical purposes; hosting of digital content on the internet; computer network monitoring services, namely, providing information on the operation of computer networks; technical design consulting services in the field of computers and wireless computing; providing temporary use of non-downloadable software for enhancing and providing real-time transfer, transmission, reception, processing and digitizing of audio and video graphics information; providing temporary use of non-downloadable software for processing, storage, retrieval, transmission, display, input, output, compressing, decompressing, modifying, broadcasting and printout of data; providing temporary use of non-downloadable software for ensuring the security of computer networks, for access control and security, and for use in protecting computer networks from data theft or damage by unauthorized users; providing temporary use of non-downloadable software for the receipt, display, and use of broadcast video, audio, and digital data signals; providing temporary use of non-downloadable software for creating, facilitating, developing, maintaining and managing remote access to and communication with local area networks (lans), virtual private networks (vpn), wide area networks (wans) and global computer networks; providing temporary use of non-downloadable software for use in providing multiple user access to a global computer information network for searching, retrieving, transferring, manipulating and disseminating a wide range of information; providing temporary use of non-downloadable software tools for the facilitation of third party software applications; providing temporary use of non-downloadable software for wireless network communications; development, design, and consulting services relating to computer software and hardware; designing and developing standards for others in the design and implementation of computer software, computer hardware and telecommunications equipment; providing customers and technicians with information relating to computer project management.

The applicant claims that it intends to use the mark.

Priority claim is on the basis of an application filed on the 22<sup>nd</sup> day of December, 2014 under number 66179 in Jamaica.

**ANY** person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 11780.15 should do so in writing addressed to the undersigned not later than the 21<sup>st</sup> day of April, 2017.

**DATED** this 24<sup>th</sup> day of January, 2017.

(1<sup>st</sup> issue)

**WHEREAS**, the Registrar is in receipt of an application filed on the 14<sup>th</sup> day of October, 2015, by Hewlett-Packard Development Company, L.P., of 11445 Compaq Center Drive West, Houston, Texas 77070, U.S.A., through its agent Morgan & Morgan Trust Corporation (Belize) Limited, of Withfield Tower, Third Floor, 4792 Coney Drive, Belize City, Belize, for the registration of the following service mark, as proprietor thereof-

CFE(6):26.4.2

in respect of International Class 42 for software as a service [SaaS]; cloud computing services; information technology consultancy services; computer software support and maintenance services; computer systems design and analysis; computer systems integration services; integration of computer systems and software; integration of computer systems and networks; computer system administration for others; rental and leasing of computer hardware and computer peripherals; computer consulting services; computer software consultancy; providing consulting services for others in the design, selection, implementation and use of computer software; consulting services in the field of software as a service; Internet consulting services; consulting in the field of IT and applications transformation, integration, modernization, migration, design, development, implementation, testing, optimization, operation and management; consulting in the field of cloud computing networks and applications; consulting and information services relating to information technology architecture and infrastructure, namely in the field of cloud computing; consultancy and information services relating to technology architecture and infrastructure, namely in the field of data center networks, cloud computing and Internet technological research; computer security consultancy; consultancy in the field of computer security and information technology [IT] consulting services; consultancy relating to software and hardware for communication systems; information technology [IT] consultancy, namely, for customer relationship management, finance and administration, human resources, payroll and document processing; technical consulting in the field of environmental engineering and energy efficiency; scientific and technological services, namely, research and design in the field of

computer networking hardware and computer datacenter architecture; technical consulting services in the field of datacenter architecture; providing temporary use of online non-downloadable middleware for providing an interface between software applications and operating systems; providing temporary use of on-line non-downloadable cloud computing software for use in database management and electronic storage of data; computer hardware and software design and development; computer programming services; developing driver and operating system software; software application development, modernization and cloud integration; software installation, maintenance and update services; testing, analysis, and evaluation of computers, networks and software to assure compliance with computer industry standards; business technology software development and consultation services; computer programming services for others in the field of software configuration management; computer software development in the field of mobile applications; updating and maintaining cloud-based computer software through on-line updates, enhancements and patches; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; computer technology support services, namely, help desk services; technical support services, namely, troubleshooting of computer software problems; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; technical support services, namely, migration of datacenter, server and database applications; technical support services, namely, monitoring of computers, network systems, servers and web and database applications, and notification of related events and alerts; technical support services, namely remote real-time computer and network monitoring services; technical support services, namely, remote and on-site infrastructure management services for monitoring, administration, and management of public and private cloud computing IT and application systems; providing website hosting services, website development and customized online web pages for others; consulting services in the field of cloud computing; cloud hosting provider services; hosting software applications for others; cloud hosting of electronic databases; computer services, namely, providing virtual and non virtual application servers, web servers, file servers, co-location servers, load balancing servers, redundancy servers, media servers and database servers of variable capacity to third party computing and data storage facilities; Rental of computer software, hardware and peripherals; leasing of computer hardware, computer software and computer peripherals to others on a subscription or pay-per-use basis; consulting in the field of virtualization technologies for enterprises and businesses; IT programming services, namely, management of hardware, software systems, peripherals and applications for others; cloud computing featuring software for use in database management; computer services, namely, hosting computer databases and computer sites [websites], provisioning computer programs on data networks and information related thereto, administration of user rights in computer networks, maintaining and updating computer software; monitoring of computer systems by remote access; securing electronic data, encrypting electronic data, decrypting electronic data; back-up and replicate services of computer databases for others; computer project management in the field of electronic data processing; cloud computing; configuration and integration of computer networks; design of unified communication services; database development services; data center and data warehouse services, namely, rental of space in a computer colocation facility for containerized data centers of others; database development services; data mining services; electronic data backup services; digital image correction, restoration and enhancement of videos, photographs and documents; data migration services; data encryption and decryption services; cloud computing featuring software for use in database management and data warehousing; electronic data storage; electronic storage of electronic media, namely, images, text, video and audio data; software as a service (SAAS) and platform as a service (PAAS) featuring software for use in database management, for service desk management and for accounting; Internet-based application service provider, namely, hosting, managing, developing, analyzing, and maintaining the code, applications, and software for web sites of others; temporary use of non-downloadable software for information technology (IT) management, IT infrastructure management, remote IT infrastructure management, IT asset management and inventory, IT process automation, IT device lifecycle management, IT reporting and forecasting, IT infrastructure fault and performance monitoring and computer technical support services, namely, 24/7 service desk or help desk services for IT infrastructure, operating systems, database systems, and web applications; providing temporary use of non-downloadable software for data protection, data security, and computer application and network security; temporary use of non-downloadable software for information security regulatory compliance; providing temporary use of non-downloadable software for monitoring computer network access and activity; providing temporary use of non-downloadable software for data encryption and decryption, cryptography, computer user authentication, and information security compliance monitoring, reporting and analytics; providing temporary use of non-downloadable software for data backup, recovery, archiving and deduplication; providing temporary use of non-downloadable software for cloud infrastructure management and automation; providing temporary use of non-downloadable software for cloud, web and application performance monitoring; providing temporary use of non-downloadable software for database and database management, data warehouse operation and automation, data center operation and automation, application and database integration, data transmission, storage, processing and reproduction, and for accessing, querying and analyzing information stored in databases and data warehouses; providing temporary use of non-downloadable software for business intelligence, business process insight, data analytics, information management, knowledge management, customer relationship management, and enterprise resource and risk management; providing temporary use of non-downloadable software for storing, managing, tracking, and analyzing business data; providing temporary use of non-downloadable search engine software and software for project and records management; providing temporary use of non-downloadable software for software development, deployment, testing, delivery and application lifecycle management; providing temporary use of non-downloadable software for converged IT systems; providing temporary use of non-downloadable software-defined infrastructure (SDS) software; providing temporary use of non-downloadable software in fields of converged and hyper-converged IT infrastructure; software as a service services, namely, hosting cloud and datacenter infrastructure software for use by others for use in database management and application development; providing temporary use of non-downloadable software for automating and managing utility industry services, operations and billing; temporary use of non-downloadable software for managing software licenses.

The applicant claims that it intends to use the mark.

Priority claim is on the basis of an application filed on the 14<sup>th</sup> day of April, 2015 under number 86/597,155 in U.S.A.

ANY person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 12211.15 should do so in writing addressed to the undersigned not later than the 21<sup>st</sup> day of April, 2017.

DATED this 24<sup>th</sup> day of January, 2017.

(1<sup>st</sup> issue)

**WHEREAS**, the Registrar is in receipt of an application filed on the 14<sup>th</sup> day of October, 2015, by Hewlett-Packard Enterprise Development Company, LP, of 11445 Compaq Center Drive West, Houston, Texas 77070, U.S.A., through its agent Morgan & Morgan Trust Corporation (Belize) Limited, of Withfield Tower, Third Floor, 4792 Coney Drive, Belize City, Belize, for the registration of the following service mark, as proprietor thereof-

CFE(6):26.4.2;29.1.3

in the color Pantone 339C in respect of:

- (a) International Class 38 for telecommunications services, namely, transmission of voice, data, graphics, images, audio and video by means of telecommunications networks, wireless communication networks, and the internet; providing data transmission services via electronic communications networks; providing secure real time electronic communication over a computer network; providing virtual private network services, namely, private and secure electronic communications over a private or public computer network; consulting in the field of communications and telecommunications; providing online chat rooms, bulletin boards and forums for transmission of messages among users in the fields of computers, software, information technology and general interest; streaming of audio and video material on the internet; voice over internet protocol (VOIP) services; file sharing services, namely, electronic transmission of data via global computer networks; providing unified communications services;
- (b) International Class 41 for providing educational and training services, namely, conducting classes, workshops, seminars and conferences in the field of computers, software, electronic commerce and information technology; online journals, namely, blogs featuring information in the fields of computers, software, electronic commerce and information technology;
- (c) International Class 42 for software as a service [SaaS]; cloud computing services; information technology consultancy services; computer software support and maintenance services; computer systems design and analysis; computer systems integration services; integration of computer systems and software; integration of computer systems and networks; computer system administration for others; rental and leasing of computer hardware and computer peripherals; computer consulting services; computer software consultancy; providing consulting services for others in the design, selection, implementation and use of computer software; consulting services in the field of software as a service; Internet consulting services; consulting in the field of IT and applications transformation, integration, modernization, migration, design, development, implementation, testing, optimization, operation and management; consulting in the field of cloud computing networks and applications; consulting and information services relating to information technology architecture and infrastructure, namely in the field of cloud computing; consultancy and information services relating to technology architecture and infrastructure, namely in the field of data center networks, cloud computing and Internet technological research; computer security consultancy; consultancy in the field of computer security and information technology [IT] consulting services; consultancy relating to software and hardware for communication systems; information technology [IT] consultancy, namely, for customer relationship management, finance and administration, human resources, payroll and document processing; technical consulting in the field of environmental engineering and energy efficiency; scientific and technological services, namely, research and design in the field of computer networking hardware and computer datacenter architecture; technical consulting services in the field of datacenter architecture; providing temporary use of online non-downloadable middleware for providing an interface between software applications and operating systems; providing temporary use of on-line non-downloadable cloud computing software for use in database management and electronic storage of data; computer hardware and software design and development; computer programming services; developing driver and operating system software; software application development, modernization and cloud integration; software installation, maintenance and update services; testing, analysis, and evaluation of computers, networks and software to assure compliance with computer industry standards; business technology software development and consultation services; computer programming services for others in the field of software configuration management; computer software development in the field of mobile applications; updating and maintaining cloud-based computer software through on-line updates, enhancements and patches; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; computer technology support services, namely, help desk services; technical support services, namely, troubleshooting of computer software problems; technical support services, namely, troubleshooting in the nature of diagnosing computer hardware and software problems; technical support services, namely, migration of datacenter, server and database applications; technical support services, namely, monitoring of computers, network systems, servers and web and database applications, and notification of related events and alerts; technical support services, namely remote real-time computer and network monitoring services; technical support services, namely, remote and on-site infrastructure management services for monitoring,

administration, and management of public and private cloud computing IT and application systems; providing website hosting services, website development and customized online web pages for others; consulting services in the field of cloud computing; cloud hosting provider services; hosting software applications for others; cloud hosting of electronic databases; computer services, namely, providing virtual and non virtual application servers, web servers, file servers, co-location servers, load balancing servers, redundancy servers, media servers and database servers of variable capacity to third party computing and data storage facilities; Rental of computer software, hardware and peripherals; leasing of computer hardware, computer software and computer peripherals to others on a subscription or pay-per-use basis; consulting in the field of virtualization technologies for enterprises and businesses; IT programming services, namely, management of hardware, software systems, peripherals and applications for others; cloud computing featuring software for use in database management; computer services, namely, hosting computer databases and computer sites [websites], provisioning computer programs on data networks and information related thereto, administration of user rights in computer networks, maintaining and updating computer software; monitoring of computer systems by remote access; securing electronic data, encrypting electronic data, decrypting electronic data; back-up and replicate services of computer databases for others; computer project management in the field of electronic data processing; cloud computing; configuration and integration of computer networks; design of unified communication services; database development services; data center and data warehouse services, namely, rental of space in a computer colocation facility for containerized data centers of others; database development services; data mining services; electronic data backup services; digital image correction, restoration and enhancement of videos, photographs and documents; data migration services; data encryption and decryption services; cloud computing featuring software for use in database management and data warehousing; electronic data storage; electronic storage of electronic media, namely, images, text, video and audio data; software as a service (SAAS) and platform as a service (PAAS) featuring software for use in database management, for service desk management and for accounting; Internet-based application service provider, namely, hosting, managing, developing, analyzing, and maintaining the code, applications, and software for web sites of others; temporary use of non-downloadable software for information technology (IT) management, IT infrastructure management, remote IT infrastructure management, IT asset management and inventory, IT process automation, IT device lifecycle management, IT reporting and forecasting, IT infrastructure fault and performance monitoring and computer technical support services, namely, 24/7 service desk or help desk services for IT infrastructure, operating systems, database systems, and web applications; providing temporary use of non-downloadable software for data protection, data security, and computer application and network security; temporary use of non-downloadable software for information security regulatory compliance; providing temporary use of non-downloadable software for monitoring computer network access and activity; providing temporary use of non-downloadable software for data encryption and decryption, cryptography, computer user authentication, and information security compliance monitoring, reporting and analytics; providing temporary use of non-downloadable software for data backup, recovery, archiving and deduplication; providing temporary use of non-downloadable software for cloud infrastructure management and automation; providing temporary use of non-downloadable software for cloud, web and application performance monitoring; providing temporary use of non-downloadable software for database and database management, data warehouse operation and automation, data center operation and automation, application and database integration, data transmission, storage, processing and reproduction, and for accessing, querying and analyzing information stored in databases and data warehouses; providing temporary use of non-downloadable software for business intelligence, business process insight, data analytics, information management, knowledge management, customer relationship management, and enterprise resource and risk management; providing temporary use of non-downloadable software for storing, managing, tracking, and analyzing business data; providing temporary use of non-downloadable search engine software and software for project and records management; providing temporary use of non-downloadable software for software development, deployment, testing, delivery and application lifecycle management; providing temporary use of non-downloadable software for converged IT systems; providing temporary use of non-downloadable software-defined infrastructure (SDS) software; providing temporary use of non-downloadable software in fields of converged and hyper-converged IT infrastructure; software as a service services, namely, hosting cloud and datacenter infrastructure software for use by others for use in database management and application development; providing temporary use of non-downloadable software for automating and managing utility industry services, operations and billing; temporary use of non-downloadable software for managing software licenses.

The applicant claims that it intends to use the mark.

Priority claim is on the basis of an application filed on the 14<sup>th</sup> day of April, 2015 under number 86/597,155 in U.S.A.

**ANY** person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 12214.15 should do so in writing addressed to the undersigned not later than the 21<sup>st</sup> day of April, 2017.

**DATED** this 24<sup>th</sup> day of January, 2017.

---

(1<sup>st</sup> issue)

**WHEREAS**, the Registrar is in receipt of an application filed on the 16<sup>th</sup> day of December, 2015, by Aisin Seiki Kabushiki Kaisha (also trading as Aisin Seiki Co., Ltd.), of 2-1 Asahi-machi, Kariya-shi, Aichi-ken, Japan, through it agent Arguelles & Company, Attorneys-at-Law, of Suite 401, The Matalon, Coney Drive, Belize City, Belize, for the registration of the following trade mark, as proprietor thereof-

CFE(6):26.3.1,23

in respect of:

- (a) International Class 9 for mechanical and electronic measuring machines for identifying and analyzing structural damage to vehicles; technical measuring, testing and checking apparatus and instruments for measuring, testing and checking the temperature, pressure, quantity and concentration of gas and liquids; electronic locks; electronic control devices for automobiles; computer programs [downloadable software]; computer programs, recorded; computers; tablet computers; computer peripheral devices; integrated circuits; navigation apparatus for automobiles [on-board computers]; automatic control and remote monitoring apparatus for gas engine heat pumps; automatic switching apparatus [for telecommunication]; change-over switches [for telecommunication apparatus]; electric capacitors for telecommunication apparatus; electric resistors for telecommunication apparatus; electrical transformers [for telecommunication apparatus]; electronic testing equipment, namely, telecommunication line integrity testing apparatus; fuses [for telecommunication apparatus]; indicator lights [for telecommunication apparatus]; microphones [for telecommunication apparatus]; pickups [for telecommunication apparatus]; solar cells; solar panels for the production of electricity; solar batteries; fuel cells; fuel-cell power generation devices; automotive batteries and battery chargers; apparatus and instruments for conveying, distributing, transforming, storing, regulating and controlling electric current; batteries, electric; electric cells; distribution consoles [electricity]; rotary converters; fire alarms; gas alarms; anti-theft warning apparatus; electronic publications, downloadable;
- (b) International Class 10 for medical beds; bathing apparatus for nursing care [for medical use]; medical apparatus; ear plugs for sleeping; ear plugs for protection against noise; urinals [vessels]; plug-in bedpan for invalids; pacifier clips; triangular bandages; supportive bandages; surgical catgut; feeding cups [for medical purposes]; dropping pipettes [for medical purposes]; feeding bottle teats; medical ice bags; medical ice bag holders; baby bottles; nursing bottles; finger guards [for medical purposes]; electric massage apparatus for household use; aesthetic massage apparatus for industrial use; ear picks; air mattresses, for medical purposes;
- (c) International Class 11 for bath fittings; toilet stool units with a washing water squirter; disinfectant dispensers for toilets; toilet bowls; seating for use with Japanese style toilet bowls; air-conditioning apparatus by gas engine heat pumps for industrial purposes; heat pumps; air conditioning apparatus and fittings thereof [for industrial purposes]; space heating and cooling apparatus and fittings thereof [for industrial purposes]; air-conditioning apparatus by gas engine heat pumps for household purposes; fans [air-conditioning]; electric radiant heaters [for household purposes]; air conditioning apparatus and fittings thereof [for household purposes]; household electrothermic appliances, namely, coffee roasters, coffee percolators, coffee machines, toasters, cookers, food steamers and stoves; feed water heaters with cogeneration functions [for non-electric prime movers and engines]; hot water storage type hot water supplying apparatus using heat from gas engines [for industrial purposes]; gas water heaters for industrial use; gas engine heat pumps and their parts; boilers, not for parts for non-electric prime movers, and not for engines; hot water storage type hot water supplying apparatus using heat from gas engines [for household purposes]; gas water heaters for household purposes; hot-air space heating apparatus [for household purposes]; stoves for household purposes [non-electric]; toilet bowls and seats sold as a unit; prefabricated bathrooms sold as a unit; portable toilets;
- (d) International Class 12 for prime mover trucks [vehicles]; vehicles for the physically handicapped and those of reduced mobility; automobiles; parts and fittings for automobiles, namely, automobile bodies, tipping apparatus, structural parts for trucks and wagons, tailboard lifts [parts of land vehicles], automobile chassis, automobile tires [tyres], shock absorbers for automobiles, bumpers for automobiles, air bags [safety devices for automobiles, hood for automobiles, windscreen wipers, vehicle seats, seat covers for vehicles, safety belts for vehicle seats, doors for vehicles, mudguards, steering wheels for vehicles, brakes for vehicles, brake pads for automobiles, brake discs for vehicles; two-wheeled motor vehicles, bicycles and their parts and fittings; self-propelled electric vehicles; electrically operated personal mobility type scooters and automobiles; electric vehicles; wheelchairs for nursing care; electric wheelchairs; wheelchairs and their parts and fittings; rickshaws; sleighs and sleds [vehicles]; hand trucks; carts; bicycle trailers [riyakah]; axles for vehicles; couplings for land vehicles; gearing for land vehicles; clutches for land vehicles; anti-theft alarms for vehicles; anti-theft devices for automobiles; AC motors or DC motors for land vehicles [not including "their parts"]; adhesives rubber patches for repairing tubes or tires; baby carriages [prams];
- (e) International Class 16 for printed matter; stationery; post cards; office requisites, except furniture; sewing patterns, knitting patterns for knitting; embroidery design patterns; tailors' chalk; photographs; photograph stands; hygienic hand towels of paper; towels of paper; table napkins of paper; hand towels of paper; handkerchiefs of paper.

The applicant claims that it has a bona fide intention to use the mark.

Priority claim is on the basis of an application filed on the 17<sup>th</sup> day of June, 2015 under

number 2015-057454 in Japan.

**ANY** person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 12369.15 should do so in writing addressed to the undersigned not later than the 21<sup>st</sup> day of April, 2017.

**DATED** this 24<sup>th</sup> day of January, 2017.

---

(1<sup>st</sup> issue)

**WHEREAS**, the Registrar is in receipt of an application filed on the 13<sup>th</sup> day of May, 2016, by Embotelladora La Cascada S.A., of 27 Calle Oriente, Número 229, San Salvador, República de El Salvador, C.A., through it agent Arguelles & Company, Attorneys-at-Law, of Suite 401, The Matalon, Coney Drive, Belize City, Belize, for the registration of the following trade mark, as proprietor thereof-

## HI-ENERGY

in respect of International Class 32 for non-alcoholic beverages, namely, carbonated beverages, non-alcoholic non-carbonated flavoured beverages, concentrates for making carbonated water, concentrates for making non-carbonated soft drinks.

The applicant claims that it has a bona fide intention to use the mark.

**ANY** person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 12780.16 should do so in writing addressed to the undersigned not later than the 21<sup>st</sup> day of April, 2017.

**DATED** this 24<sup>th</sup> day of January, 2017.

---

(1<sup>st</sup> issue)

**WHEREAS**, the Registrar is in receipt of an application filed on the 10<sup>th</sup> day of June, 2016, by Bandalux Industrial, S.A., of Avda. Sant Julia, 235, 08403 Granollers, Barcelona, Spain, through it agent Arguelles & Company, Attorneys-at-Law, of Suite 401, The Matalon, Coney Drive, Belize City, Belize, for the registration of the following trade mark, as proprietor thereof-

CFE(6):26.4.1,12

in respect of International Class 24 for curtains, namely, curtains made of textile fabrics, curtains made of plastic fabrics; textile materials for use in the manufacture of blinds; mosquito nets; fabrics for textile use; textile substitute materials made from synthetic materials; pleated window curtains

The applicant claims that it has a bona fide intention to use the mark.

**ANY** person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 12845.16 should do so in writing addressed to the undersigned not later than the 21<sup>st</sup> day of April, 2017.

**DATED** this 24<sup>th</sup> day of January, 2017.

---

**WHEREAS**, the Registrar is in receipt of an application filed on the 17<sup>th</sup> day of June, 2016, by Maria Elena Domitila Valenzuela Godoy De Schellenberg, of 20 Calle 24-60 Zona 10, Ofibodegas No. 3 Guatemala, Guatemala, through its Morgan & Morgan Trust Corporation (Belize) Limited, of Withfield Tower, Third Floor, 4792 Coney Drive, Belize City, Belize, for the registration of the following trade mark, as proprietor thereof-

CFE(6):29.1.7;26.13.25;27.5.4

in respect of International Class 30 for chocolate and cocoa.

The applicant claims that it intends to use the mark.

The Applicant claims that the word “CUNAKakaw” when translated to the English language is “cocoa cradle”.

Registration of this mark shall give no exclusive right to the use of the work “Kakaw”, separately and apart from the mark as shown.

**ANY** person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 12878.16 should do so in writing addressed to the undersigned not later than the 21<sup>st</sup> day of April, 2017.

**DATED** this 24<sup>th</sup> day of January, 2017.

(1<sup>st</sup> issue)

**WHEREAS**, the Registrar is in receipt of an application filed on the 12<sup>th</sup> day of July, 2016, by Techtronic Power Tools Technology Limited, of Trident Chambers, P.O. Box 146, Road Town, Tortola, British Virgin Islands, through its agent Arguelles & Company, Attorneys-at-Law, of Suite 401, The Matalon, Coney Drive, Belize City, Belize, for the registration of the following trade mark, as proprietor thereof-
