NOTICES OF PUBLICATION CORRECTION

Take Notice that trade mark No. 11982.15 “”, published in the Intellectual Property Journal Vol. 15 – No. 27, and Vol. 16 – Nos. 1 and 2, was inadvertently published without the following description of the mark: **“The mark consists of the colors depicted on the body, engine, and vertical ends of the main wings of the airplane, but excludes the black and white elements. The black and white elements, as they appear in the mark, represent outlines, and are not a feature of the mark. The matter shown in the dotted lines is also not a part of the mark and serves only to show the placement of the mark. The mark therefore includes the color blue on the front and middle body and engines of the airplane, then color bands of silver, yellow, silver, red, silver, and blue at the rear of the airplane, and the color bands of silver, yellow, silver, red, silver, and blue on the vertical ends of the main wings of the airplane”.**
