---

## NOTICE OF OPPOSITION

**TAKE NOTICE** that the Registrar is in receipt of a notice of opposition filed by Red Bull GmbH (The Opponent), of Am Brunnen 1, A-5330 Fuschl am See, Austria, against Trademark Application No. 9397.12, filed on the 20<sup>th</sup> day of December, 2012, by Javier Abollado Bris y Myriam Múgica Amilibia (The Applicant), of C/ Del Hervidero, 15 28750 San Agustín de Guadalix Madrid, España, for the registration of the following trademark, as proprietor thereof:

The Opponent opposes the above trademark Application on the grounds that:

1. The Opponent, Red Bull GmbH, is the proprietor of the internationally well-known trademarks "RED BULL & Device", "SINGLE BULL DEVICE", "RED BULL" and "DOUBLE BULL Device", which are registered in Belize and in many countries worldwide.

The details of the opposing trademark registrations are as follows:-

- Registration No. 3252.05 RED BULL & Device for goods in class 32 for "*non alcoholic beverages including refreshing drinks, energy drinks, whey beverages and isotonic (hyper- and hypotonic) drinks (for use and/or as required by athletes); beer; malt beer, wheat beer, porter, ale, stout and lager; non alcoholic malt beverages; mineral water and aerated waters; fruit drinks and fruit juices; syrups, essences and other preparations for making beverages as well as effervescent (sherbet) tablets and powders for drinks and non-alcoholic cocktails.*", registered on 26 July, 2005;
  - Registration no. 1900.03 Single Bull Device for goods in class 32 for "*non alcoholic beverages in particular refreshing drinks, energy drinks, whey beverages and isotonic (hyper- and hypotonic) drinks (for use and/or as required by athletes); beer; malt beer, wheat beer, porter, ale, stout and lager; non alcoholic malt beverages; mineral water and aerated waters; fruit drinks and fruit juices; syrups, essences and other preparations for making beverages as well as effervescent (sherbet) tablets and powders for drinks and non-alcoholic cocktails.*", registered on 30 September, 2003;
  - Registration no. 6871.10 RED BULL for goods in class 32 for "*non alcoholic beverages, namely, refreshing drinks, energy drinks, whey beverages, isotonic, hypertonic and hypotonic drinks (for use and/or as required by athletes); beer, malt beer, wheat beer, porter, ale, stout and lager; non alcoholic malt beverages; mineral water (beverages) and aerated waters; fruit drinks, namely, non-alcoholic fruit-flavoured beverages; fruit juices; syrups, essences and other preparations for making beverages as well as effervescent tablets and effervescent powders for drinks and non-alcoholic cocktails.*", registered on 14 June 2010; and
  - Registration no. 6872.10 Double Bull Device for goods in class 32 for "*non alcoholic beverages, namely, refreshing drinks, energy drinks, whey beverages, isotonic, hypertonic and hypotonic drinks (for use and/or as required by athletes); beer, malt beer, wheat beer, porter, ale, stout and lager; non alcoholic malt beverages; mineral water (beverages) and aerated waters; fruit drinks, namely, non-alcoholic fruit-flavoured beverages; fruit juices; syrups, essences and other preparations for making beverages as well as effervescent tablets and effervescent powders for drinks and non-alcoholic cocktails.*", registered on 14 June, 2010.
2. By virtue of its said trademark registrations in Belize, pursuant to section 24(1) of the *Trade Marks Act* the Opponent has exclusive rights in the trademarks, and pursuant to section 38(1) of the *Trade Marks Act* the Opponent's said trademarks are "earlier trademarks".
  3. By virtue of its extensive use, promotion and advertisement of its said trade marks in Belize, the word "bull", its Spanish translation "toro" as well as the image and the concept of a bull are distinctive of the Opponent and its goods, including its world known energy drink, as the word "bull" and the device of a bull are two of the most distinctive elements of the Opponent's trademarks. Neither the word "bull" nor the device of a bull are common to goods in class 32, and accordingly same are exclusively associated with and distinctive of the Opponent's goods.

- 
4. The trademark “TORO LOCO ENERGY DRINK & Bull Device” which the Applicant has applied to register is similar phonetically, visually and conceptually to the Opponent’s earlier trade marks in the following ways:
    - (i) The word “toro” is a commonly known Spanish word, meaning “bull” in English.
    - (ii) The “TORO LOCO ENERGY DRINK & Bull Device” trade mark contains a bull device.
    - (iii) The bull device in the trademark application is a fierce or aggressive bull, just as the bulls in the Opponent’s marks.
    - (iv) The “TORO LOCO ENERGY DRINK & Bull Device” trade mark evokes the idea of an aggressive bull.
    - (v) The words “ENERGY DRINK shall be disregarded in the comparison for being descriptive of the goods covered.
  5. The application for “TORO LOCO ENERGY DRINK & Bull Device” is in respect of goods in class 32, namely, soft drinks, fruit drinks and juices, syrups and other preparations for making beverages. These goods are identical or similar to goods for which the Opponent’s said trademarks are registered and used.
  6. By virtue of paragraphs 4 and 5 above, the trademark “TORO LOCO ENERGY DRINK & Bull Device” is not eligible for registration pursuant to Section 37(2) of the *Trade Marks Act*, as there exists a likelihood of confusion on the part of the public, including likelihood of association with the Opponent’s earlier trademarks. An insight of the direct association to the Opponent’s trademarks can be clearly demonstrated in the article found in the Spanish newspaper Expansion.com ([http://www.expansion.com/2012/03/entrono/aula\\_abierta/1331559502.html](http://www.expansion.com/2012/03/entrono/aula_abierta/1331559502.html)), where it states the alleged rapid growth of the Toro Loco Energy Drink in Spain. This article shows that the Applicant’s product is in fact an energy drink which draws a direct association and cause a likelihood of confusion to the Opponent’s trademarks. “El ‘Red Bull’ español es universitario y ... ¡da alas!” (The Spanish Red Bull was created at University and ....Gives Wings!) and “Toro Loco energy drink, el Red Bull de los universitarios español” (Toro Loco Energy drink, the Red Bull of the Spanish university students).
  7. Further and/or in the alternative, the Opponent’s earlier trademarks have a reputation in Belize and throughout the world, and the use of “TORO LOCO ENERGY DRINK & Bull Device” by the Applicant would take unfair advantage of and be detrimental to the distinctive character and reputation of the Opponent’s earlier trademarks. Accordingly, registration of the Applicant’s “TORO LOCO ENERGY DRINK & Bull Device” ought to be refused pursuant to section 37(3) of the *Trade Marks Act*.
  8. The arguments set out in paragraphs 4 to 7 above have already been accepted by the Office for the Harmonization of the Internal Market (OHIM) by Decision of the Second Board of Appeal of 13 February 2012 in case R2479/2010-2, which confirm a prior decision which upheld the opposition filed by Red Bull GmbH against an identical application for “TORO LOCO ENERGY DRINK & Bull Device” for goods in class 32 in the name of the Applicant.
  9. Further and/or in the alternative, the Applicant’s use of “TORO LOCO ENERGY DRINK & Bull Device” in Belize is liable to be prevented by the law ( in particular the law as it relates to the tort of passing off), and accordingly same is not registrable by virtue of Section 37(4) of the *Trade Marks Act*.
  10. Further and/or in the alternative, the Applicant’s “TORO LOCO ENERGY DRINK & Bull Device” trade mark ought to be refused registration in accordance with Section 35(6) of the *Trade Marks Act*, as the filing of the application constituted an act of bad faith, as the Applicant was aware of the Opponent’s earlier trademarks and that they already caused the rejection of other trademarks for the same sign in the European Union.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

**DATED** this 23<sup>rd</sup> day of August, 2013.
