## NOTICES OF OPPOSITION

**TAKE NOTICE** that the Registrar is in receipt of a notice of opposition filed by MELFINCO S.A. (The Opponent), of Landstrasse-158 P.O. Box 127/9494 Schann Furstentum Liechtenstein, against trademark Application No. 9986.13, filed on the 16<sup>th</sup> day of July, 2013, by BODEGA 12 COMPANY LIMITED (The Applicant), of Plaza Majil Local 1 Zona Libre de Belize Central America, for the registration of the following trademark, as proprietor thereof:

### MTH

The Opponent opposes the above trademark Application on the grounds that:

1. The Opponent opposes the Applicant's application for registration on the ground that the application was made in bad faith. The Opponent, Melfinco S.A., caused to be manufactured some MTH LABEL brand cigarettes in India but did not accept same from the manufacturer upon completion because the product was of inferior quality as it was manufactured with high tar and nicotine content and did not reflect the health warnings, as is required under the laws of Belize. The Applicant purchased the said products from the Indian manufacturer and adopting the product as its own, applied for registration of the brand name trade mark MTH LABEL in Belize in July, 2013 prior to exporting the said products (452 cartons) to Belize sometime in or about the month of August, 2013 with the client's MTH LABEL brand printed on the packaging.
2. The Applicant's action was dishonest and clearly its intention was to obtain registration for trade mark MTH LABEL in Belize thereby blocking the Opponent from applying to register its own trade marks and gain entry into Belize's market.
3. To the best of our knowledge, information and belief, the Applicant has not used the MTH LABEL trademark nor acquired and distinctive character as a result of prior use in any part of the world.
4. MTH LABEL is a registered brand of Melfinco S.A., and is registered in Greece under No. 155646 in Class 34 and has a pending registration in India under Application No. 2212893 in Class 34.
5. The Opponent claims that it has a first right to use of the name 'MTH' which is a coined name. Each letter has a specific representation: 'M' represents 'Mervat', the owner, 'T' represents 'Ted', the husband, and 'H' represents 'Hiotis', the family name. MTH Holding is the main holding company of Melfinco S.A., a company duly registered in Leichtenstein. Additionally, the Opponent's email is [merat@methholding.com](mailto:merat@methholding.com) which has been used for several years.
6. The Opponent has expended obscene funds and incalculable time in developing the MTH brand for the international market and now operates a reputable business and takes pride in offering only the best products to its consumers. Had that not been the case, the Opponent's application for the MTH LABEL would have been the first in time despite the fact that the quality of product was inferior and that it did not carry the necessary health warnings mandated by our laws.
7. The Opponent as the registered proprietor of the MTH LABEL trade mark is the only entity that can give consent for the use of the words: *'Made under the authority of the trade mark owner'* to be affixed to the Opponent's cigarettes packs. The cigarettes that the Applicant has imported into Belize reflect the words above *'Made under the authority of the trade mark owner'* and the Opponent has not consented to such use of its product.
8. The Opponent respectfully requests that the application for registration of trademark MTH LABEL be denied on the grounds listed above.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

**DATED** this 17th day of December, 2013.

## NELSON

The Opponent opposes the above trademark Application on the grounds that:

1. The Opponent opposes the Applicant's application for registration on the ground that the application was made in bad faith. The Opponent, Melfinco S.A., created a new version of the NELSON brand trademark in October 2012 and planned to launch the product in the international market, namely Egypt and Belize in October 2013. However, the product was of inferior quality as it was manufactured with high tar and nicotine content and did not reflect the health warnings, as is required under the laws of Belize so the Opponent did not accept the products. The Applicant purchased the same products from the Indian manufacturer and adopting the product as its own, applied for its registration in Belize in July, 2013 prior to exporting the said products (750 cartons) to Belize sometime in or about the month of August, 2013 with the client's NELSON brand printed on the packaging.
2. The Applicant's action was dishonest and clearly its intention is to obtain the registration for trade mark NELSON LABEL in Belize thereby blocking the Opponent from applying to register its trade marks and gain entry in Belize's market.
3. To the best of our knowledge, information and belief, the Applicant has not used the NELSON LABEL trade mark nor acquired and distinctive character as a result of prior use in any part of the world.
4. NELSON LABEL is a registered brand of Melfinco S.A., in India as well as Greece and Switzerland (WIPO) and has subsisting registration as follows:
  - (a) Trade Mark Application No. 1777320 in India in Class 34 for *raw and manufactured tobacco, cigarettes and smokers' articles* as of the 23<sup>rd</sup> day of January, 2000 and registration will expire on 23<sup>rd</sup> January, 2019.
  - (b) Trade Mark Application No. 1825530 in India in Class 34 for *raw and manufactured tobacco, cigarettes and smokers' articles* as of the 2<sup>nd</sup> day of July, 2009 and registration will expire on 2<sup>nd</sup> July, 2019.
  - (c) Trade Mark Application No. 786616 in Switzerland in Class 34 in respect of *cigarettes; raw and manufacture tobacco; tobacco products; smokers' articles; matches* as of the 29<sup>th</sup> day of July, 2002 and registration will expire on the 29<sup>th</sup> day of July, 2022.

The Opponent has a pending registration in Greece for Trade Mark Application No. 155645 in Class 34 for *cigarettes; raw and manufactured tobacco; tobacco products; smokers' articles; matches*.

5. The NELSON LABEL trademark is recognized as a well known mark owned by Melfinco S.A. in North Africa (Libya) and has acquired distinctiveness over a period of time. This product has been used for several years and during the last five (5) years alone, more than 4000 master cases valued in excess of US\$400,000.00 have been bought from India for export to international markets.
6. The Opponent as the registered proprietor of the NELSON LABEL trade mark is the only entity that can consent to the use of the words: '*Made under the authority of the trade mark owner*' to be affixed to the Opponent's cigarettes packs. The cigarettes that the Applicant has imported into Belize reflect the words above '*Made under the authority of the trade mark owner*' and the Opponent has not entered into any agreement with any entity or person or licensee for the such use of its product.
7. The Opponent has expended obscene funds and incalculable time in developing the NELSON brand for the international market and now operates a reputable business and takes pride in offering only the best product to its consumers. Had that not been the case, the Opponent's application for the NELSON LABEL would have been the first in time despite the fact that the quality of the product was inferior and that it did not carry the necessary health warnings mandated by our laws.
8. The Opponent respectfully requests that the application for registration of trademark NELSON LABEL be denied on the grounds listed above.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.
