The Registrar hereby refuses to register the above trademark application based on the grounds stated in the above notice of opposition.

NOTICE OF OPPOSITION

TAKE NOTICE that the Registrar is in receipt of a notice of opposition filed by North Atlantic Operating Company, Inc., of 3029 Muhammad Ali Boulevard, Louisville Kentucky 40212, U.S.A., against trademark Application No. 7120.10, filed on the 23rd day of September, 2010, by Republic Technologies (NA) LLC (The Applicant), of 2301 Ravine Way, Glenview, Illinois 60025, U.S.A., for the registration of the following trademark, as proprietor thereof:

The Opponent opposes the above trademark Application on the grounds that:

1. Opposition, founded by Section 16 of the Trade Marks Act of Belize Chapter 257, RE 2000, (the Act), is based on the fact that the Opponent's well-known mark by identical name, though not registered in Belize will result in the likelihood of confusion and or of association based on the provisions of Article 6bis of the Paris Convention 1883 which is applicable in Belize whether or not any Opponent business or goodwill exists in Belize the provisions of which supersede the Act;
2. Opponent's ZIG ZAG products have been available in the international market since the 1800's. Through this extensive global use of the mark for an extended period of time, the mark is a well-known identifier of both Opponent and its products. The mark has been registered in a number of jurisdictions worldwide. For example, the mark is registered in the United States as follows:

ZIG ZAG, Reg. No. 1,472,580, Owner: North Atlantic Operating Company, Inc. for "cigarette tobacco" in Class 34

ZIG ZAG CLASSIC AMERICAN BLEND, Reg. No. 2,780,643, Owner: North Atlantic Operating Company, Inc. for "smoking tobacco" in Class 34

3. Opponent also bases its opposition of the Opposed Mark on absolute grounds for refusal relying on Section 35.3b of the Act where a mark shall not be registered if it is of such a nature to deceive the public *infra* with regard to:
A) the nature of the Applicant and Opponent's business (re: the intermingling confusion to the public).

4. The Opponent respectfully requests BELIPO to refuse the application and reserves the right to adduce further grounds in support of Opposition at a later date and to supply the appropriate Affidavit in support of the claims made herein, and to provide further details of registrations and prior use in other jurisdictions.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.
