- (b) International Class 11 for level controlling valves in tanks, fumigation apparatus, not for medical purposes, filters (parts of household or industrial installations), sanitary apparatus and installations, taps [faucets], bath plumbing fixtures, faucets, showerhead, lamps [lighting devices], pocket torches electric, lanterns, bulbs (light bulbs, electric bulbs), lamps with motion sensor, ceiling lights, sockets (castles for electric lamps), showers;
- (c) International Class 12 for air pumps [vehicle accessories], inner tubes for pneumatic tires [tyres], tires for vehicle wheels, wheelbarrows;
- (d) International Class 16 for painters' brushes, catalogues, adhesive tapes for stationery or household purposes, house painters' rollers, sealing compounds for stationery purposes, drawing pens, ball point pens, adhesives [glues] for stationery or household purposes;
- (e) International Class 17 for gaskets, expanding polyurethane foam (insulation), insulating gloves, watering hose, adhesive tapes non for stationery or household purposes; insulating tape and band.

The applicant claims that this mark is in use.

ANY person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 6385.09 should do so in writing addressed to the undersigned not later than the 29th day of October, 2010.

DATED this 29th day of July, 2010.

WHEREAS, the Registrar is in receipt of an application filed on November 6, 2009, by Merz Pharma GmbH & Co. KGaA, of Eckenheimer Landstr. 100, 60318 Frankfurt/Main, Germany, through its agent Arguelles & Co., Attorneys-at-Law, of 35 New Road, Belize City, Belize, for the registration of the following trade mark, as proprietor thereof-

NOVABEL

in respect of-

- (a) International Class 3 for body and beauty care cosmetics;
- (b) International Class 5 for pharmaceutical preparations; chemical preparations for medical use; pharmaceutical preparations for use in dermatology.

The applicant claims that it has bona fide intention that the trademark be so use in Belize in relation to the goods mentioned.

ANY person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 6421.09 should do so in writing addressed to the undersigned not later than the 29th day of October, 2010.

DATED this 2nd day of August, 2010.

DE C.V., of Parque Industrial No.1 Jilotepec, Estado de México, C.P. 54240, México, through its agent Barrow & Williams, Attorneys-at-Law, of 99 Albert Street, Belize City, Belize, for the registration of the following trade mark, as proprietor thereof-

PRETUL

in respect of-

- (a) International Class 6 for collars of metal for fastening pipes, anchor bolts of metal, hooks [metal hardware], hinges of metal, cables of metal, non-electric, padlocks, anchor chains of metal, locks of metal, other than electric; bolts, door stops of metal, bands of metal for tying-up purposes, nails, craps (tips for metal screws), metal staples for construction or industrial use, door handles of metal, house numbers of metal, non-luminous, pins [hardware], lock holder, rivets of metal, screws of metal;
- (b) International Class 7 for countersinks (are machine tools that allow trimming insertion of holes so that the workpieces are more safe for the user), pumps [machines], broquero (part of machines tuned portable tool), edger (machine tool that makes smooth, straight edge of two pieces of wood so they can join together to form surfaces table), carding machines, soldering irons [electric welding], diggers [machines], planing machines, key duplicating machines, nailer [pneumatic machine tool], compressors [machines], cutters [machines], screwdrivers machines, abrasive discs for grinding [parts of machine tools], jacks [machines], staplers [pneumatic machines], grinding roller [machine tool], generators of electricity, high pressure washers [washing machine tool], stripper (machine for clearing undergrowth), compressed hot air guns, glue guns, electric, tree pruners, pulleys [parts of machines], mechanical reels for flexible hoses, wine presses, shearing machine [portable machine tool], trueing machines, riveting machines, hammer drill, saws [machines], welding machines, electric, soldering blow pipes, gas-operated, drills

[machine tool], texture spray gun, tops for wood/wood shapers [stationary machine tools], hacksaws [machines], spanners [machine tools];

- (c) International Class 8 for insecticide vaporizers [hand tools], weeding forks [hand tools], crow bars, breast drills, cultivator (hand tool, also called fork), gimlets [hand tools], cutting tools [hand tools], planes, chisels, serrote [cutting tools], tube cutters [hand tools], ladles [hand tools], knives, screwdrivers, manual tubing bender, lifting jacks, hand-operated, squares [hand tools], spatulas [hand tools], tool belts [holders], earth rammers [hand tools], chisels, taps (hand tool for bending rods), scythes, axes, sickles, files [tools], spanners [machine tools], machetes [hand tools], sledgehammers, hammers [hand tools], ratchets [hand tools], shovels [hand tools], (adjustable) wrenches [hand tools], sharpening stones, pincers, rammers [hand tools], scraping tool [hand tools], rakes [hand tools], clamps for carpenters or coopers, jig-saws, priming irons [hand tools], talacha [hand tool], pincers [hand tools], stretchers for wire and metal bands [hand tools], non-electric scissors, other than for surgical use, texture sprayers [hand tool], safety restraints, other than for vehicle seats and sports equipment;
- (d) International Class 9 for wire, electric; fibre optic cables, gauges, solderers' helmets, workmen's protective face-shields, chargers for electric batteries, protective helmets, jackets (clothing) for protection against accident or injury, long measuring tape, logs [measuring instruments], mirrors for inspecting work, flexometers, protective spectacles for welding, gloves for protection against accidents, multimeters, micrometers, spirit levels, plumb lines, circuit testers, ear plugs, screwdriver tips [parts of tools], knee-pads for workers, voltmeters, circuit breaker;
- (e) International Class 11 for level controlling valves in tanks, fumigation apparatus, not for medical purposes, filters [parts of household or industrial installations], sanitary apparatus and installations, taps [faucets], bath plumbing fixtures, faucets, showerhead, lamps [lighting devices], pocket torches, electric, lanterns, bulbs (light bulbs, electric bulbs), lamps with motion sensor, ceiling lights, sockets (castles for electric lamps), showers.

The applicant claims that this mark is in use.

ANY person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 6443.09 should do so in writing addressed to the undersigned not later than the 29th day of October, 2010.

CFE(6):27.5.1,4,11;29.1.2,8

in the colors  100% pantone (R)130 C & 100% black, in respect of-

- (a) International Class 7 for machine tools; industrial robots for use in manufacture; gas operated soldering machines; chip mounting machines; semiconductor sealant molding machines; plasma washing machines; metal cutting machines by use or arc, gas or plasma; electronic component placement machines; electronic component insertion machines; soldering paste printing machines; adhesive dispensing machines for electronic component placement; laser inspection machines other than for medical purposes; electronic component feeders; die bonding machines; wire bonding machines; flip chip bonding machines; assembly machines for flat panel display; thermo compression bonding machines; dry etching machines; high throughput screening system; optical disc mastering machines; optical disc replication machines; optical disc bonding machines; laser processing machines; CO2 laser oscillators for soldering, jointing and processing; electrically operated tools for crimping cables; accessories and head attachments for electric power tools; tool bits, drill sockets and drill tips for electric power tools; chucks for electrically operated nut drivers; blades for electric cutters; electrically operated cutters for metal and or wood; machine saws for metal and or wood; replaceable blades for electric power tools; electrically operated circular saws for metal and or wood; electrically operated reciprocating saws; blades for electrically operated cutting machines, tools and apparatus; adaptors for adjusting head attachments to electric power tools; carrying cases for electric power tools; tool belts for holding electric power tools; machine

parts for heat exchanger units; electrically operated tools for polishing; electric motors, other than for land vehicles; electricity generators; electricity generators, wind and or solar powered, equipped with lighting apparatus; machines for centrifugal blowers; machines for axial flow blowers; reduction gears other than for land vehicles; motors for hard disk drive; fan motors for personal computers; fan motors for office automation instruments; elevators lifts for use in factory; elevators lifts for use in building; elevators lifts for domestic use; lifting apparatus for lightings; washing and drying machines; washing machines; tubes as structural parts for clothes washing machines; clothes drying machines; dish washing machines; dish drying machines; electric compressors for use in refrigerators; electric compressors for use in air conditioners; compressors [machines]; pumps [machines]; mixing, cutting and chopping machines; electric chopping, mixing and cutting machines', for food; electric hand mixers for household purposes; electric food processors household purposes; electric can openers; electric knife sharpeners; electric coffee mills; electric food blenders for household purposes; electric juice extractors for household purposes; electric ice-cream making machines; electric meat grinders for household purposes; electric ice crushers; electric waste processors; electric garbage disposals; electric lawnmowers; blades for lawnmowers; hedge trimmers; power pruners; electric pole-pruners for household purposes; electric wood shredding machines; cultivation machines for gardening; electric agricultural sprayers; electric appliances for cleaning; electric vacuum cleaners; electric floor polishers; dirt collectors for commercial use; electric dust, lint vacuum cleaners for clothes; electric lint removers; blowing engines; electric grooming brushes to intake loose hair of pets; electric vacuum cleaners for loose hair of pets; electrical brushes for pet grooming; electric potter's wheels; wheel washing machines; ultraviolet curing machines; kitchen garbage chutes; electric staplers other than for office use; photovoltaic power generators; home electricity generation installations; water sprinkling machines for garden use; waste compacting machines;

- (b) International Class 9 for cases for cameras; electric flash lights for cameras; digital still cameras; digital cameras with functions of video camera, audio player and voice recorder; parts and fittings for digital still cameras; plain paper copiers and parts thereof; empty toner cartridges; electronic white boards; optical lenses; automatic document feeders for office use; fire-extinguishing apparatus; batteries; batteries and dry cells; battery charges for storage batteries; rechargeable batteries; nickel cadmium batteries; nickel hydrogen batteries; lithium iron phosphate batteries; lithium phosphate batteries; electric wiring apparatus; electrical connectors; electric sockets; dimmer switches and parts thereof; time switches and parts thereof; magnetic switches and parts thereof; photo-electric switches and parts thereof; electrical switches and parts thereof; detection switches; electric wiring devices with sensors; operating switches; dimmer function switches; electrical conduits of metal and accessories; flexible electrical conduits; floor ducts for housing electric cables; cable racks for electrical wires and cable laying materials; ballasts for lighting; circuit breakers; circuit closers; thermal protectors; earth leakage breakers; electric power distributing boxes; electric outlets; fixing frames for electric outlets; electric taps; popup type electric floor outlets; electric floor outlets; wires, electric; under carpet wiring installations; electrical plugs; warning apparatus and instruments other than for vehicles; monitoring televisions for use in video intercom systems; intercoms; gas leakage alarms and parts thereof; anti-theft warning apparatus; glass break detectors for anti-theft warning apparatus; thermic ray detectors for human body detector alarms burglar alarms; infrared detectors for infrared transparence block detectors/burglar alarms; electric door chimes; radio receiving/transmitting devices for alarms; buzzers; fire alarms; fire detectors; fire alarm bells for sound equipment; smoke prevention equipment for fire interactive control panels; emergency alarm equipment manually or automatically-activated fire alarms; automated emergency notification equipment; notification equipment for fire alarms and intrusion; electric locks; electric door openers; finger print recognition equipment for access controls equipment; face recognition equipment for access controls equipment; video monitoring systems for access control equipment intrusion detection equipment; person identification alarm equipment for imaging sensors; security key boxes for key storage control alarm interactive system; remote lighting control systems; electric receivers for automatic wireless shutter open/close remote controllers; electric transmitters for automatic wireless shutter open/close remote controllers; remote controller transmitters/receivers; remote control switches for televisions or radios; radios; cassette tape players/recorders; radio cassette recorders/players; portable cassette tape players; portable radio cassette players/recorders; optical disc players/recorders/drives and parts thereof; cases for portable audio players; lens cleaning discs for optical disc players; IC memory and/or hard disc players/recorders; MP3 (MPEG-I Audio Layer-3) players; speakers for audio equipment; stereo tuners; amplifiers; microphones; record players; slip mats for turntable; graphic equalizers; clock radios; IC recorders for voice recorders; digital sound processors; headphones; cordless headphones; earphones; karaoke sing-along machines; audio/visual software, recorded; audio disc players; iPod; built-In CD player; MP3 player: cassette adapters for reproducing sound on optical discs; apparatus for public address sound system; audio mixers; audio equipment cleaners; optical fiber cables; audio cables/video cables; car audio apparatus; car mount holders for computers, audio/visual equipment, car navigation systems; wireless microphone systems consisting of wireless microphones, wireless transmitters, wireless powered speaker, wireless receivers, wireless amplifiers, diversity tuners; digital multi equalizers; digital multi processors; power amplifiers; audio visual machines, apparatus and instruments; television receivers; cathode ray tube displays; cathode ray tubes; image pick tubes; plasma television receivers; plasma displays; plasma display panels; power supply units for plasma display panel; stands for plasma display panels or plasma television receives; LCD television receivers; liquid crystal displays; liquid crystal display panels; projection television receivers; combined television receivers incorporating video tape recorders; combined television receivers incorporating disc players; antennas; video tuners; liquid crystal display projectors; lenses for liquid crystal display projectors; ceiling mount brackets for liquid crystal display projectors; lamps for liquid crystal display projectors; digital light processing projectors; lenses for video projectors; video cassette recorders/players; camcorders; parts and accessories for camcorders; cables for camcorders; cases for camcorders; electric viewfinders for camcorders; waterproof covers for camcorders; alternating current adapters for camcorders; batteries for camcorders; shoulder straps for camcorders; digital high definition video cassette tape recorders/players; color image large-scale display apparatus; cable television systems; hard disk drivers; audio/visual apparatus used as educational devices;

electric optical display boards; multi purpose electric information display systems; surveillance cameras; closed circuit video equipment systems; electric and electronic video surveillance installations; DVD recorded software; television cameras; non-linear editing systems; DVD authoring apparatus; light emitting diode displays; USB cables; in-vehicle camera apparatus; electric wireless camera; electric wireless camera monitoring apparatus; video signal converters for network cameras; recording software exclusively used for network cameras; network camera controllers; servers for network cameras; outdoor wireless cameras with motion sensors; convertible cameras; switches for live image production; graphic processors for real time program making; sounding apparatus and machines; DVD video recorders/players; LCD video monitors, wireless displays; carrying handles for projectors; dual stacking mount brackets for projectors; downloadable electronic publication; all-in-one DVD video cassette recorders/players; table racks for liquid crystal display televisions; optical disc machines and apparatus; optical disc drives; optical disc recorders; optical disc players; optical disc changers; optical disc cartridges; optical disc mastering apparatus; facsimile transceivers; transceivers; telephones; cellular phones; cellular phone batteries; IP telephones; cordless telephones; conference speakerphones; accessories for cellular phones; telephone answering machines; global positioning system receivers; radio telephones; marine radars; radars; multi-channel access radio systems; electric traffic information apparatus; apparatus for video teleconferencing; apparatus for local area network; car navigation equipment; electronic toll collecting units for cars; remote controllers for audio/visual machines; photo printers for household purposes; video printers; multi-function printers; finishers for multi-function printers; paper feeding stands for multi-function printers; units for transporting papers for multifunction printers; units for hard disk drive for multi-function printers; memory boards for multi-function printers; document distribution systems for multi-function printers; waste containers for toners for multi-function printers; verification stamps for multi-function printers; accessibility kit for multi-function printers; G3 communication units for multifunction printers; internet facsimile units for multi-function printers; extensions units for multi-function printers; catch trays for multi-function printers; voice mail apparatus for multi-function printers; RFID reader/writer for multi-function printers; LAN boards for multi-function printers; extension cassette for multi-function printers; handset units for multi-function printers; paper cassettes for photo printers; carrying bags for photo printers; wireless conference speakerphones; in-vehicle IT terminals; facsimile machines; intelligent transport system applied to telecommunications and control technologies to address issues such as traffic accidents and congestions; visual/information distribution systems; digital broadcasting systems which consists of video cameras for digital broadcast, switchers, outside broadcast vans; multimedia learning systems consisting personal computers, recorders and software; emergency call remote controllers; on/off remote controllers; inverters for power units; sequencers for programmable logic controllers; installations for receiving high voltage electricity; power capacitors; iris reader camera systems; automatic controlling machines and instruments; computers and computer peripheral devices; computers; micro processor unit cooling fans; gateway apparatus for computer broadband network; wireless personal computer memory, card international association communication cards; recorded computer software; image scanners; printers for computers; empty toner cartridges for computer printers; compact flash cards; personal computer memory card international association adapters; PC cards; computer keyboards; floppy disk drives; card readers; card reader/writers; bar code readers; bar code scanners; time recorders; portable data terminals; electronic cash registers; terminals for point of sales systems; mobile computers; personal digital assistants; CAD/CAM systems; hard disc drives; electronic calculators; network cameras; uninterruptible power source for computers, communication and broadcasting apparatus; multi-function printers, namely, those which can be used as a printer, a scanner and a facsimile machine in one unit having network connectability; wireless LAN adaptors; Ethernet power supply adapters; SD memory data copy apparatus; network disk recorders; memory card camera recorders; memory card recorders; memory card drives; digital video cassette recorders/players; digital video cassette camera recorders; video encoder cards; car adaptors for computers; digital data storage apparatus using magnetic tapes; optical disc cartridges; DATA data storage apparatus; non-shrinkage low temperature cofired multilayer ceramic substrates; external data storage media; video cassette tapes; cleaning tapes for tape drives of audio/video tape recorders/players; D-VHS video cassette tapes; digital video cassette tapes; audio cassette tapes; floppy discs; blank optical discs; IC memory cards; secure digital memory cards; measuring apparatus and instruments; thermo luminescence dosimetry systems; dosimeters equipped with alarms; counters; ammeters; power consumption meters; electric leakage meters; electric insulation meters; thermometers, not for medical purposes; measurement system processors; micro-precision measurement devices; audio/video analyzers; oscilloscopes; modulators; voltmeters; distortion meters; electric body-fat measuring and weighing scales; weighing machines/scales; pedometers; calorimeters for physical exercise; exercising pitch gauges; breath odor meters; halitosis meters; hour meters; electricity testing and measuring instruments; power measuring equipment; motor ability training simulators; clamp meters; multi-circuit type electric power monitors; gas meters; ultrasonic gas meters; light emitting diodes; large scale integrations; one chip microcomputers; halftone image processors; semiconductor memory devices; permanent magnets; electric connectors; semiconductor lasers; CCD image sensors; metal-oxide semiconductor image sensors; film capacitors; membrane units for oxygen enrichment; electric tuner units; high frequency units; radio frequency from end system units; radio frequency modulators; coin validating units; coin selector units; bill validating units; bill selector units; magnetic card readers/writers; speaker components; ac adapters; convergence magnets; magnet rolls; DC/DC converters; coils inductors; capacitors; filters being electrical/electronic components; light modulators; light deflectors; optical transmission components; optical coupling components; laser diode modules; photo diode modules; optical connectors; aspherical lenses; deflection yokes; thermistors; surge absorbers varistors; piezoelectric ceramics components; ceramic oscillators; surface acoustic wave oscillators; acousto-optic devices; electric resistors; potentiometers; trimmer potentiometers; thermal cutoffs; electric apparatus consisting of resistor array for interface circuits for resistance networks; electric apparatus consisting of capacitor array for interface circuits for capacitance networks; electric apparatus consisting of resistor array and capacitor array for interface circuits for resistance/capacitance networks; hybrid IC; track ball input devices; electro luminescence elements; magnetic resistive elements; electric coils; choking coils impedance; touch panels; remote control units; duplexers; surface acoustic wave

devices; baluns; electric power dividers; voltage controlled oscillators; wireless communication modules/units; radio frequency modules; phase locked loop synthesizer modules; thermal printer units; bi-directional low-power wireless modules; direct current to alternating current inverters; power supply units; ballasts for discharging lamps or tubes; electrical ignition units for home appliances; micro chip fuses; electric timers; electric flat irons; electric hair curlers; electric hair irons and accessories thereof; electric eyelash curlers; electric hair curling brushes; electrical ionizing brushes for commercial use; electric hair curling irons for commercial use; electrically heated eyelash curlers for commercial use; electric fans for use in computers; counters; apparatus and instruments, all for current engineering for telecommunications, highfrequency and regulation apparatus and instruments, all for current engineering, conduction, transformation, storage, regulation and control; electricity conduits; distant measuring apparatus; levelling instruments; remote controls for lighting; electric or electronic liquid level controllers; circuit controllers; indicator panels and annunciator panels for use in factories; remote control panels for lighting; control panels for elevators; lighting control panels; voice control panels for emergency escape guiding system; relays electric; electric coils; switchboards; current converters; socket plates for covering socket outlet; voltage regulators for electric power; aerials; electric laser markers; animal alert devices using ultrasonic wave; radio transmitters/receivers and their tools for pet search; ultrasonic detectors which detect wrings, piping and intermediate posts on the back of wall in building and rooms; recorded video discs and tapes; distribution board cabinets capable of storing IT equipment; computerized indication panels for indicating presence/non-presence in offices, and systems therefore; switch gears, electric; terminals for television; pilot lamps; adapters and connectors for telephone wires; plug-in phone jacks; luminous or mechanical road signs; navigation equipment for detection of location; timers for use in factories; software for use in sequencers for programmable logic controllers; software for processing images and graphics; equipment sensors; interfaces for computers; image processing systems; appearance testers, not for medical purposes; direct current power supply units; battery chargers; electrical sockets; electric extension cords; modular jacks connectors for in-house LAN; coating materials for exposed wirings for conductor seal pipes; computerized time clocks for use in facilities; electric trouser presses; computer software for assisting programming of industrial equipment control; electric arc welding apparatus; welding electrodes; electronic component placement apparatus; electronic component insertion apparatus; soldering paste printing apparatus; adhesive dispensing apparatus for electronic component placement; laser inspection apparatus, other than for medical purposes; electronic component feeders; flip chip bonding apparatus; assembly apparatus for flat panel display; thermo compression bonding apparatus; dry etching apparatus; high throughput screening systems; optical disc mastering apparatus; optical disc replication apparatus; optical disc bonding apparatus; three dimensional profilometers; micro soldering apparatus; solder fume removing apparatus; switch units integrated with nurse call button, outlets, lights, and so on to be installed at the hospital room bed heads; electric insect killing apparatus; electric soldering machines;

- (c) International Class 11 for installations for lighting; incandescent lamps; fluorescent lamps; head lamps; fluorescent lighting fixtures; incandescent burners; electrical bulbs and lighting instruments; miniature bulbs; screw-in fluorescent lamps; torches for lighting; electric lanterns; dynamo lighting sets for bicycles; discharge lamps and fittings thereof; productive lighting instruments; wall lights; garden lights; ceiling lights; electric lamps for repelling moths; electric lighting equipments for trapping insects; electric insect trapping killing apparatus in the form of lamps; germicidal lamps; gate lights; escape lights; street lights; chandeliers; glow switch lamps; downlights; glow switch starters; desk lights; lamp sockets; lanterns; installations for cooking; automatic bread makers for home use; electric kettles; autoclaves electric pressure cookers; electric rice cookers; electric porridge cookers; electric roasters; ovens for cooking; toasters; coffee percolators, electric; coffee filters, electric; coffee roasting machines; electric cooking stoves; electric thermo pots; gas cookers; induction heating hobs; electric barbecue griddles for household purposes; electric blenders for household purposes; electric juicers for household purposes; electric hand mixers for household purposes; electric food processors for household purposes; electric meat grinders for household purposes; electric can openers for household purposes; electric knife sharpeners; electric coffee mills; microwave ovens for domestic use; gas cooking stoves with ovens; electric food pans; sinks; water faucet metal ware; electric cooking utensils; electric tea leaf grinders; electric rice cake makers for cooking; electric frying apparatus for cooking; induction heating electronic rice cookers/warmers; electronic rice cookers/warmers; built-in gas cookers; trim kits for microwave ovens; installations for refrigeration and freezing; refrigerators; gas refrigerators; freezers; cold/hot water dispensers; cold water dispensers; hot water dispensers; electric water coolers; electric ice makers; electric fans for ventilation; ventilating fans for household use; electric dehumidifiers; electric humidifiers; air curtains; air handling units; ceiling fans; roof ventilators; electrostatic precipitators for cleaning air; electric deodorizers for cars; centrifugal fans; axial flow fans; electric air purifiers; electric air purifiers; electric air purifiers for household purposes; filters for air purifiers; filters for household air purifiers; range hoods for cookers; ventilation hoods; air outlets for air conditioners; apparatus for making and supplying oxygen enriched air; heat exchange cooling units for cooling electric apparatus instruments; electric air deodorizers; installations for heating, cooling and air-conditioning; air conditioning apparatus; remote controllers for air conditioners; air conditioners for automobiles; fan coil units for air conditioning; electrically heated carpets; electric space heaters; electric blankets other than for medical purposes; electric radiant heaters; hot-water space heating apparatus; hot water floor heating apparatus; heat exchanger, not parts of machines; electric heating equipments; electric foot warmers; electric floor heaters; gas fired heaters and hot water suppliers; heat pump units; CO2 heat pump water heaters; car seat heaters; positive temperature coefficient heaters; carbon lamp heaters; installations for sanitary purposes; toilets with washing functions; septic tanks for domestic use; septic tanks for industrial use; water purifying and mineralizing apparatus for household use; garbage incinerators; sauna baths; steam saunas; shower rooms; electric bubble dispensers; electrical foam makers for household use for body washing; cordless air dischargers for home bubble bath; shower heads; water boilers showers; instantaneous water boilers; bathtubs with wash place; bathtubs; electric air bubble bathtubs; set units of toilet bowl and seat; water boilers for bathrooms; bath boilers; toilet bowls; electrolyzed water generators; electric water heaters; toilet seat units with

washing water squirters; bidets; metallic bathtubs; portable toilets; portable bidets; battery-operated scalp massagers; water heaters; gas instantaneous water heaters; dryers for hair; electric hand dryers; electric dish drying machines; electric clothes drying machines; electric hair dryers for household use; electric hair dryers for commercial use; brushes for hair dryers for household use; brushes for hair dryers for commercial use; electric appliances for domestic use; panel heaters; whirlpool baths; electrical automatic waterer for home gardening, and parts and accessories thereof; spotlights; temporary emergency lighting; emergency lights; indicator lights; mercury vapor lamps; high-pressure mercury vapor lamp instruments; sodium lamps; safety lamps light diffusers; searchlights; ventilations, air-conditioning installations and apparatus; electric refrigerators for cosmetics; dryers for pets; electric cooling/warming mats for pets; household humidifiers; household deodorizing equipment; household electric dehumidifiers; electric hand dryers; electric ionizing combs for household use; electric ionizing brushes for household use; electric ionizing combs for commercial use; electric ionizing brushes for commercial use; electrical hair curlers for household use; electrical hair curlers for commercial use; electric make-up removing appliances for commercial use; electric make-up removing appliances for household use; electric dead skin cell removers; electric face brushes for household use; electric face brushes for commercial use; electric hair steamers for commercial use; electric hair steamers for household use; electric facial equipments using ultrasonic wave, for household use; electric facial equipments using ultrasonic wave, for commercial use; electric facial treatment equipment for household use; electric facial treatment equipment for commercial use; electric esthetic massagers for household use; steam generators for facial treatment, for household use; steam generators for facial treatment, for commercial use; electric pore cleansers; electric cooler/warmers; stools for Japanese style toilet; water taps made of metal; wash basins for lavatory; bathtub units integral with wash place and dressers; electric incense burners; apparatus for shower; water softening apparatus for domestic use; water softening apparatus for commercial use; replacement cartridges for water softening apparatus; ionic water generators; water purifying apparatus; electric heaters for bathrooms; electric heaters for dressing rooms; electric stoves for bathrooms; electric water supplying instruments; electric water pressurizing apparatus; bathroom handrails, not of metal; water supply installations; automatic sprinklers for watering flowers and plants;

- (d) International Class 20 for air cushions, not for medical purposes; air mattresses, not for medical purposes; air pillows, not for medical purposes; ambroid bars; ambroid plates; animal hooves; animal horns; armchairs; artificial honeycombs; bamboo; barrel hoops, not of metal; barrels, not of metal; baskets, not of metal; bassinettes; bed casters, not of metal; bed fittings, not of metal; bedding, except linen; beds for household pets; bedsteads of wood; beehives; binding screws, not of metal, for cables; bins, not of metal; bins of wood or plastic; boarding stairs, not of metal; mobile, for passengers; bolsters; bolts, not of metal; bottle racks; boxes of wood or plastic; broom handles, not of metal; brush mountings; bungs, not of metal; busts of wood, wax, plaster or plastic; cabinet work; cable clips, not of metal; cable or pipe clips of plastics; cases of wood or plastic; cask hoops, not of metal; cask stands, not of metal; casks, not of metal; casks of wood for decanting wine; chests for toys; chests, not of metal; chests of drawers; clothes hooks, not of metal; coat hangers; coat hooks, not of metal; coat stands; coffin fittings, not of metal; coffins; comb foundations for beehives; containers, not of metal, for liquid fuel; coral; cork bands; corks; corozo; costume stands; cots; cradles; crates; cupboards; curtain holders, not of textile material; curtain hooks; curtain rails; curtain rings; curtain rods; curtain rollers; curtain tie-backs; cushions; deck chairs; decorations of plastic for foodstuffs; desks; display stands; divans; dog kennels; door fittings, not of metal; door handles, not of metal; doors for furniture; dowels, not of metal; draughtman's tables; dressing tables; dressmakers' dummies; drinking straws; easy chairs; edgings of plastic for furniture; embroidery frames; fans for personal use, non-electric; filing cabinets; fire screens, domestic; fireguards; flagpoles; floating containers, not of metal; flower-pot pedestals; fodder racks; footstools; foundations for beehives; funerary urns; furniture; furniture fittings, not of metal; furniture of metal; furniture partitions of wood; furniture shelves; gun racks; hairdressers' chairs; handling pallets, not of metal; hat stands; high chairs for babies; hinges, not of metal; honeycombs; hooks, not of metal, for clothes rails; horn, unworked or semi-worked; house numbers, not of metal, non-luminous; hydrostatic beds, not for medical purposes; identity plates, not of metal; infant walkers; inflatable publicity objects; ivory, unworked or semi-worked; kennels for household pets; keyboards for hanging keys; knife handles, not of metal; ladders of wood or plastics; latches, not of metal; lecterns; letter boxes, not of metal or masonry; library shelves; loading pallets, not of metal; lockers; locks, not of metal, for vehicles; locks, other than electric, not of metal; magazine racks; mannequins; massage tables; mats for infant playpens; mats, removable, for sinks; meat chests, not of metal; meerscham; mirror tiles; moldings for picture frames; mooring buoys, not of metal; mother-of-pearl, unworked or semi-worked; mouldings for picture frames; nameplates, not of metal; newspaper display stands; number plates, not of metal; nuts, not of metal; office furniture; oyster shells; picture frames; pillows; pipe or cable clips of plastics; placards of wood or plastics; plaited straw, except matting; plate racks; playpens for babies; plugs, not of metal; poles, not of metal; pulleys of plastics for blinds; rattan; reels, not of metal, non-mechanical, for flexible hoses; reels of wood for yarn, silk, cord; registration plates, not of metal; reservoirs, not of metal nor of masonry; rivets, not of metal; saw horses; school furniture; scratching posts for cats; screws, not of metal; scythe handles, not of metal; seats; seats of metal; sections of wood for beehives; settees; shells; shelves for storage; shelves for typewriters; sideboards; signboards of wood or plastics; sofas; spring mattresses; stair rods; stakes for plants or trees; stands for calculating machines; statues of wood, wax, plaster or plastic; staves of wood; stools; stoppers for bottles, not of glass, metal or rubber; stoppers, not of metal; straw edgings; straw mattresses; straw plaits; straws for drinking; table tops; tables of metal; tailors' dummies; tanks, not of metal nor of masonry; tea carts; tea trolleys; tent pegs, not of metal; tool handles, not of metal; tortoiseshell; tortoiseshell imitation; towel dispensers, fixed, not of metal; transport pallets, not of metal; troughs, not of metal, for mixing mortar; typing desks; umbrella stands; valves, not of metal, other than parts of machines; vats, not of metal; vice benches, not of metal; wall plugs, not of metal; water beds, not for medical purposes; water-pipe valves of plastic; wax figures; waxcomb for beehives; whalebone, unworked or semi-worked; wickerwork; winding spools, not of metal, nonmechanical, for flexible hoses; window fittings, not of metal; wood ribbon; writing desks.

The applicant claims that it has a bona fide intention to use this mark in Belize.

ANY person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 6640.10 should do so in writing addressed to the undersigned not later than the 29th day of October, 2010.

CFE(6):26.1.1

in the color (black) 100%, in respect of-

- (a) International Class 7 for machine tools; industrial robots for use in manufacture; gas operated soldering machines; chip mounting machines; semiconductor sealant molding machines; plasma washing machines; metal cutting machines by use or arc, gas or plasma; electronic component placement machines; electronic component insertion machines; soldering paste printing machines; adhesive dispensing machines for electronic component placement; laser inspection machines other than for medical purposes; electronic component feeders; die bonding machines; wire bonding machines; flip chip bonding machines; assembly machines for flat panel display; thermo compression bonding machines; dry etching machines; high throughput screening system; optical disc mastering machines; optical disc replication machines; optical disc bonding machines; laser processing machines; CO2 laser oscillators for soldering, jointing and processing; electrically operated tools for crimping cables; accessories and head attachments for electric power tools; tool bits, drill sockets and drill tips for electric power tools; chucks for electrically operated nut drivers; blades for electric cutters; electrically operated cutters for metal and or wood; machine saws for metal and or wood; replaceable blades for electric power tools; electrically operated circular saws for metal and or wood; electrically operated reciprocating saws; blades for electrically operated cutting machines, tools and apparatus; adaptors for adjusting head attachments to electric power tools; carrying cases for electric power tools; tool belts for holding electric power tools; machine parts for heat exchanger units; electrically operated tools for polishing; electric motors, other than for land vehicles; electricity generators; electricity generators, wind and or solar powered, equipped with lighting apparatus; machines for centrifugal blowers; machines for axial flow blowers; reduction gears other than for land vehicles; motors for hard disk drive; fan motors for personal computers; fan motors for office automation instruments; elevators lifts for use in factory; elevators lifts for use in building; elevators lifts for domestic use; lifting apparatus for lightings; washing and drying machines; washing machines; tubes as structural parts for clothes washing machines; clothes drying machines; dish washing machines; dish drying machines; electric compressors for use in refrigerators; electric compressors for use in air conditioners; compressors [machines]; pumps [machines]; mixing, cutting and chopping machines; electric chopping, mixing and cutting machines', for food; electric hand mixers for household purposes; electric food processors household purposes; electric can openers; electric knife sharpeners; electric coffee mills; electric food blenders for household purposes; electric juice extractors for household purposes; electric ice-cream making machines; electric meat grinders for household purposes; electric ice crushers; electric waste processors; electric garbage disposals; electric lawnmowers; blades for lawnmowers; hedge trimmers; power pruners; electric pole-pruners for household purposes; electric wood shredding machines; cultivation machines for gardening; electric agrichemical sprayers; electric appliances for cleaning; electric vacuum cleaners; electric floor polishers; dirt collectors for commercial use; electric dust, lint vacuum cleaners for clothes; electric lint removers; blowing engines; electric grooming brushes to intake loose hair of pets; electric vacuum cleaners for loose hair of pets; electrical brushes for pet grooming; electric potter's wheels; wheel washing machines; ultraviolet curing machines; kitchen garbage chutes; electric staplers other than for office use; photovoltaic power generators; home electricity generation installations; water sprinkling machines for garden use; waste compacting machines;
- (b) International Class 9 for cases for cameras; electric flash lights for cameras; digital still cameras; digital cameras with functions of video camera, audio player and voice recorder; parts and fittings for digital still cameras; plain paper copiers and parts thereof; empty toner cartridges; electronic white boards; optical lenses; automatic document feeders for office use; fire-extinguishing apparatus; batteries; batteries and dry cells; battery charges for storage batteries; rechargeable batteries; nickel cadmium batteries; nickel hydrogen batteries; lithium iron phosphate batteries; lithium phosphate batteries; electric wiring apparatus; electrical connectors; electric sockets; dimmer switches and parts thereof; time switches and parts thereof; magnetic switches and parts thereof; photo-electric switches and parts thereof; electrical switches and parts thereof; detection switches; electric wiring devices

with sensors; operating switches; dimmer function switches; electrical conduits of metal and accessories; flexible electrical conduits; floor ducts for housing electric cables; cable racks for electrical wires and cable laying materials; ballasts for lighting; circuit breakers; circuit closers; thermal protectors; earth leakage breakers; electric power distributing boxes; electric outlets; fixing frames for electric outlets; electric taps; popup type electric floor outlets; electric floor outlets; wires, electric; under carpet wiring installations; electrical plugs; warning apparatus and instruments other than for vehicles; monitoring televisions for use in video intercom systems; intercoms; gas leakage alarms and parts thereof; anti-theft warning apparatus; glass break detectors for anti-theft warning apparatus; thermic ray detectors for human body detector alarms burglar alarms; infrared detectors for infrared transparenance block detectors/burglar alarms; electric door chimes; radio receiving/transmitting devices for alarms; buzzers; fire alarms; fire detectors; fire alarm bells for sound equipment; smoke prevention equipment for fire interactive control panels; emergency alarm equipment manually or automatically-activated fire alarms; automated emergency notification equipment; notification equipment for fire alarms and intrusion; electric locks; electric door openers; finger print recognition equipment for access controls equipment; face recognition equipment for access controls equipment; video monitoring systems for access control equipment intrusion detection equipment; person identification alarm equipment for imaging sensors; security key boxes for key storage control alarm interactive system; remote lighting control systems; electric receivers for automatic wireless shutter open/close remote controllers; electric transmitters for automatic wireless shutter open/close remote controllers; remote controller transmitters/receivers; remote control switches for televisions or radios; radios; cassette tape players/recorders; radio cassette recorders/players; portable cassette tape players; portable radio cassette players/recorders; optical disc players/recorders/drives and parts thereof; cases for portable audio players; lens cleaning discs for optical disc players; IC memory and/or hard disc players/ recorders; MP3 (MPEG-I Audio Layer-3) players; speakers for audio equipment; stereo tuners; amplifiers; microphones; record players; slip mats for turntable; graphic equalizers; clock radios; IC recorders for voice recorders; digital sound processors; headphones; cordless headphones; earphones; karaoke sing-along machines; audio/visual software, recorded; audio disc players; iPod; built-In CD player; MP3 player; cassette adapters for reproducing sound on optical discs; apparatus for public address sound system; audio mixers; audio equipment cleaners; optical fiber cables; audio cables/video cables; car audio apparatus; car mount holders for computers, audio/visual equipment, car navigation systems; wireless microphone systems consisting of wireless microphones, wireless transmitters, wireless powered speaker, wireless receivers, wireless amplifiers, diversity tuners; digital multi equalizers; digital multi processors; power amplifiers; audio visual machines, apparatus and instruments; television receivers; cathode ray tube displays; cathode ray tubes; image pick tubes; plasma television receivers; plasma displays; plasma display panels; power supply units for plasma display panel; stands for plasma display panels or plasma television receives; LCD television receivers; liquid crystal displays; liquid crystal display panels; projection television receivers; combined television receivers incorporating video tape recorders; combined television receivers incorporating disc players; antennas; video tuners; liquid crystal display projectors; lenses for liquid crystal display projectors; ceiling mount brackets for liquid crystal display projectors; lamps for liquid crystal display projectors; digital light processing projectors; lenses for video projectors; video cassette recorders/players; camcorders; parts and accessories for camcorders; cables for camcorders; cases for camcorders; electric viewfinders for camcorders; waterproof covers for camcorders; alternating current adapters for camcorders; batteries for camcorders; shoulder straps for camcorders; digital high definition video cassette tape recorders/players; color image large-scale display apparatus; cable television systems; hard disk drivers; audio/visual apparatus used as educational devices; electric optical display boards; multi purpose electric information display systems; surveillance cameras; closed circuit video equipment systems; electric and electronic video surveillance installations; DVD recorded software; television cameras; non-linear editing systems; DVD authoring apparatus; light emitting diode displays; USB cables; in-vehicle camera apparatus; electric wireless camera; electric wireless camera monitoring apparatus; video signal converters for network cameras; recording software exclusively used for network cameras; network camera controllers; servers for network cameras; outdoor wireless cameras with motion sensors; convertible cameras; switches for live image production; graphic processors for real time program making; sound apparatus and machines; DVD video recorders/players; LCD video monitors, wireless displays; carrying handles for projectors; dual stacking mount brackets for projectors; downloadable electronic publication; all-in-one DVD video cassette recorders/players; table racks for liquid crystal display televisions; optical disc machines and apparatus; optical disc drives; optical disc recorders; optical disc players; optical disc changers; optical disc cartridges; optical disc mastering apparatus; facsimile transceivers; transceivers; telephones; cellular phones; cellular phone batteries; IP telephones; cordless telephones; conference speakerphones; accessories for cellular phones; telephone answering machines; global positioning system receivers; radio telephones; marine radars; radars; multi-channel access radio systems; electric traffic information apparatus; apparatus for video teleconferencing; apparatus for local area network; car navigation equipment; electronic toll collecting units for cars; remote controllers for audio/visual machines; photo printers for household purposes; video printers; multi-function printers; finishers for multi-function printers; paper feeding stands for multi-function printers; units for transporting papers for multifunction printers; units for hard disk drive for multi-function printers; memory boards for multi-function printers; document distribution systems for multi-function printers; waste containers for toners for multi-function printers; verification stamps for multi-function printers; accessibility kit for multi-function printers; G3 communication units for multifunction printers; internet facsimile units for multi-function printers; extensions units for multi-function printers; catch trays for multi-function printers; voice mail apparatus for multi-function printers; RFID reader/writer for multi-function printers; LAN boards for multi-function printers; extension cassette for multi-function printers; handset units for multi-function printers; paper cassettes for photo printers; carrying bags for photo printers; wireless conference speakerphones; in-vehicle IT terminals; facsimile machines; intelligent transport system applied to telecommunications and control technologies to address issues such as traffic accidents and congestions; visual/information distribution systems; digital broadcasting systems which consists of video cameras for digital broadcast, switchers, outside broadcast vans; multimedia learning systems consisting personal computers, recorders and software;

emergency call remote controllers; on/off remote controllers; inverters for power units; sequencers for programmable logic controllers; installations for receiving high voltage electricity; power capacitors; iris reader camera systems; automatic controlling machines and instruments; computers and computer peripheral devices; computers; micro processor unit cooling fans; gateway apparatus for computer broadband network; wireless personal computer memory, card international association communication cards; recorded computer software; image scanners; printers for computers; empty toner cartridges for computer printers; compact flash cards; personal computer memory card international association adapters; PC cards; computer keyboards; floppy disk drives; card readers; card reader/writers; bar code readers; bar code scanners; time recorders; portable data terminals; electronic cash registers; terminals for point of sales systems; mobile computers; personal digital assistants; CAD/CAM systems; hard disc drives; electronic calculators; network cameras; uninterruptible power source for computers, communication and broadcasting apparatus; multi-function printers, namely, those which can be used as a printer, a scanner and a facsimile machine in one unit having network connectability; wireless LAN adaptors; Ethernet power supply adapters; SD memory data copy apparatus; network disk recorders; memory card camera recorders; memory card recorders; memory card drives; digital video cassette recorders/players; digital video cassette camera recorders; video encoder cards; car adaptors for computers; digital data storage apparatus using magnetic tapes; optical disc cartridges; DATA data storage apparatus; non-shrinkage low temperature cofired multilayer ceramic substrates; external data storage media; video cassette tapes; cleaning tapes for tape drives of audio/video tape recorders/players; D-VHS video cassette tapes; digital video cassette tapes; audio cassette tapes; floppy discs; blank optical discs; IC memory cards; secure digital memory cards; measuring apparatus and instruments; thermo luminescence dosimetry systems; dosimeters equipped with alarms; counters; ammeters; power consumption meters; electric leakage meters; electric insulation meters; thermometers, not for medical purposes; measurement system processors; micro-precision measurement devices; audio/video analyzers; oscilloscopes; modulators; voltmeters; distortion meters; electric body-fat measuring and weighing scales; weighing machines/scales; pedometers; calorimeters for physical exercise; exercising pitch gauges; breath odor meters; halitosis meters; hour meters; electricity testing and measuring instruments; power measuring equipment; motor ability training simulators; clamp meters; multi-circuit type electric power monitors; gas meters; ultrasonic gas meters; light emitting diodes; large scale integrations; one chip microcomputers; halftone image processors; semiconductor memory devices; permanent magnets; electric connectors; semiconductor lasers; CCD image sensors; metal-oxide semiconductor image sensors; film capacitors; membrane units for oxygen enrichment; electric tuner units; high frequency units; radio frequency from end system units; radio frequency modulators; coin validating units; coin selector units; bill validating units; bill selector units; magnetic card readers/writers; speaker components; ac adapters; convergence magnets; magnet rolls; DC/DC converters; coils inductors; capacitors; filters being electrical/electronic components; light modulators; light deflectors; optical transmission components; optical coupling components; laser diode modules; photo diode modules; optical connectors; aspherical lenses; deflection yokes; thermistors; surge absorbers varistors; piezoelectric ceramics components; ceramic oscillators; surface acoustic wave oscillators; acousto-optic devices; electric resistors; potentiometers; trimmer potentiometers; thermal cutoffs; electric apparatus consisting of resistor array for interface circuits for resistance networks; electric apparatus consisting of capacitor array for interface circuits for capacitance networks; electric apparatus consisting of resistor array and capacitor array for interface circuits for resistance/capacitance networks; hybrid IC; track ball input devices; electro luminescence elements; magnetic resistive elements; electric coils; choking coils impedance; touch panels; remote control units; duplexers; surface acoustic wave devices; baluns; electric power dividers; voltage controlled oscillators; wireless communication modules/units; radio frequency modules; phase locked loop synthesizer modules; thermal printer units; bi-directional low-power wireless modules; direct current to alternating current inverters; power supply units; ballasts for discharging lamps or tubes; electrical ignition units for home appliances; micro chip fuses; electric timers; electric flat irons; electric hair curlers; electric hair irons and accessories thereof; electric eyelash curlers; electric hair curling brushes; electrical ionizing brushes for commercial use; electric hair curling irons for commercial use; electrically heated eyelash curlers for commercial use; electric fans for use in computers; counters; apparatus and instruments, all for current engineering for telecommunications, highfrequency and regulation apparatus and instruments, all for current engineering, conduction, transformation, storage, regulation and control; electricity conduits; distant measuring apparatus; levelling instruments; remote controls for lighting; electric or electronic liquid level controllers; circuit controllers; indicator panels and annunciator panels for use in factories; remote control panels for lighting; control panels for elevators; lighting control panels; voice control panels for emergency escape guiding system; relays electric; electric coils; switchboards; current converters; socket plates for covering socket outlet; voltage regulators for electric power; aerials; electric laser markers; animal alert devices using ultrasonic wave; radio transmitters/receivers and their tools for pet search; ultrasonic detectors which detect wrings, piping and intermediate posts on the back of wall in building and rooms; recorded video discs and tapes; distribution board cabinets capable of storing IT equipment; computerized indication panels for indicating presence/non-presence in offices, and systems therefore; switch gears, electric; terminals for television; pilot lamps; adapters and connectors for telephone wires; plug-in phone jacks; luminous or mechanical road signs; navigation equipment for detection of location; timers for use in factories; software for use in sequencers for programmable logic controllers; software for processing images and graphics; equipment sensors; interfaces for computers; image processing systems; appearance testers, not for medical purposes; direct current power supply units; battery chargers; electrical sockets; electric extension cords; modular jacks connectors for in-house LAN; coating materials for exposed wirings for conductor seal pipes; computerized time clocks for use in facilities; electric trouser presses; computer software for assisting programming of industrial equipment control; electric arc welding apparatus; welding electrodes; electronic component placement apparatus; electronic component insertion apparatus; soldering paste printing apparatus; adhesive dispensing apparatus for electronic component placement; laser inspection apparatus, other than for medical purposes; electronic component feeders; flip chip bonding apparatus; assembly apparatus for flat panel display; thermo compression bonding apparatus; dry etching apparatus; high throughput screening systems; optical disc mastering

apparatus; optical disc replication apparatus; optical disc bonding apparatus; three dimensional profilometers; micro soldering apparatus; solder fume removing apparatus; switch units integrated with nurse call button, outlets, lights, and so on to be installed at the hospital room bed heads; electric insect killing apparatus; electric soldering machines;

- (c) International Class 11 for installations for lighting; incandescent lamps; fluorescent lamps; head lamps; fluorescent lighting fixtures; incandescent burners; electrical bulbs and lighting instruments; miniature bulbs; screw-in fluorescent lamps; torches for lighting; electric lanterns; dynamo lighting sets for bicycles; discharge lamps and fittings thereof; productive lighting instruments; wall lights; garden lights; ceiling lights; electric lamps for repelling moths; electric lighting equipments for trapping insects; electric insect trapping killing apparatus in the form of lamps; germicidal lamps; gate lights; escape lights; street lights; chandeliers; glow switch lamps; downlights; glow switch starters; desk lights; lamp sockets; lanterns; installations for cooking; automatic bread makers for home use; electric kettles; autoclaves electric pressure cookers; electric rice cookers; electric porridge cookers; electric roasters; ovens for cooking; toasters; coffee percolators, electric; coffee filters, electric; coffee roasting machines; electric cooking stoves; electric thermo pots; gas cookers; induction heating hobs; electric barbecue griddles for household purposes; electric blenders for household purposes; electric juicers for household purposes; electric hand mixers for household purposes; electric food processors for household purposes; electric meat grinders for household purposes; electric can openers for household purposes; electric knife sharpeners; electric coffee mills; microwave ovens for domestic use; gas cooking stoves with ovens; electric food pans; sinks; water faucet metal ware; electric cooking utensils; electric tea leaf grinders; electric rice cake makers for cooking; electric frying apparatus for cooking; induction heating electronic rice cookers/warmers; electronic rice cookers/warmers; built-in gas cookers; trim kits for microwave ovens; installations for refrigeration and freezing; refrigerators; gas refrigerators; freezers; cold/hot water dispensers; cold water dispensers; hot water dispensers; electric water coolers; electric ice makers; electric fans for ventilation; ventilating fans for household use; electric dehumidifiers; electric humidifiers; air curtains; air handling units; ceiling fans; roof ventilators; electrostatic precipitators for cleaning air; electric deodorizers for cars; centrifugal fans; axial flow fans; electric air purifiers; electric air purifiers; electric air purifiers for household purposes; filters for air purifiers; filters for household air purifiers; range hoods for cookers; ventilation hoods; air outlets for air conditioners; apparatus for making and supplying oxygen enriched air; heat exchange cooling units for cooling electric apparatus instruments; electric air deodorizers; installations for heating, cooling and air-conditioning; air conditioning apparatus; remote controllers for air conditioners; air conditioners for automobiles; fan coil units for air conditioning; electrically heated carpets; electric space heaters; electric blankets other than for medical purposes; electric radiant heaters; hot-water space heating apparatus; hot water floor heating apparatus; heat exchanger, not parts of machines; electric heating equipments; electric foot warmers; electric floor heaters; gas fired heaters and hot water suppliers; heat pump units; CO2 heat pump water heaters; car seat heaters; positive temperature coefficient heaters; carbon lamp heaters; installations for sanitary purposes; toilets with washing functions; septic tanks for domestic use; septic tanks for industrial use; water purifying and mineralizing apparatus for household use; garbage incinerators; sauna baths; steam saunas; shower rooms; electric bubble dispensers; electrical foam makers for household use for body washing; cordless air dischargers for home bubble bath; shower heads; water boilers showers; instantaneous water boilers; bathtubs with wash place; bathtubs; electric air bubble bathtubs; set units of toilet bowl and seat; water boilers for bathrooms; bath boilers; toilet bowls; electrolyzed water generators; electric water heaters; toilet seat units with washing water squirters; bidets; metallic bathtubs; portable toilets; portable bidets; battery-operated scalp massagers; water heaters; gas instantaneous water heaters; dryers for hair; electric hand dryers; electric dish drying machines; electric clothes drying machines; electric hair dryers for household use; electric hair dryers for commercial use; brushes for hair dryers for household use; brushes for hair dryers for commercial use; electric appliances for domestic use; panel heaters; whirlpool baths; electrical automatic waterer for home gardening, and parts and accessories thereof; spotlights; temporary emergency lighting; emergency lights; indicator lights; mercury vapor lamps; high-pressure mercury vapor lamp instruments; sodium lamps; safety lamps light diffusers; searchlights; ventilations, air-conditioning installations and apparatus; electric refrigerators for cosmetics; dryers for pets; electric cooling/warming mats for pets; household humidifiers; household deodorizing equipment; household electric dehumidifiers; electric hand dryers; electric ionizing combs for household use; electric ionizing brushes for household use; electric ionizing combs for commercial use; electric ionizing brushes for commercial use; electrical hair curlers for household use; electrical hair curlers for commercial use; electric make-up removing appliances for commercial use; electric make-up removing appliances for household use; electric dead skin cell removers; electric face brushes for household use; electric face brushes for commercial use; electric hair steamers for commercial use; electric hair steamers for household use; electric facial equipments using ultrasonic wave, for household use; electric facial equipments using ultrasonic wave, for commercial use; electric facial treatment equipment for household use; electric facial treatment equipment for commercial use; electric esthetic massagers for household use; steam generators for facial treatment, for household use; steam generators for facial treatment, for commercial use; electric pore cleansers; electric cooler/warmers; stools for Japanese style toilet; water taps made of metal; wash basins for lavatory; bathtub units integral with wash place and dressers; electric incense burners; apparatus for shower; water softening apparatus for domestic use; water softening apparatus for commercial use; replacement cartridges for water softening apparatus; ionic water generators; water purifying apparatus; electric heaters for bathrooms; electric heaters for dressing rooms; electric stoves for bathrooms; electric water supplying instruments; electric water pressurizing apparatus; bathroom handrails, not of metal; water supply installations; automatic sprinklers for watering flowers and plants;

- (d) International Class 20 for air cushions, not for medical purposes; air mattresses, not for medical purposes; air pillows, not for medical purposes; ambroid bars; ambroid plates; animal hooves; animal horns; armchairs; artificial honeycombs; bamboo; barrel hoops, not of metal; barrels, not of metal; baskets, not of metal; bassinettes; bed casters, not of metal; bed fittings, not of metal;

bedding, except linen; beds for household pets; bedsteads of wood; beehives; binding screws, not of metal, for cables; bins, not of metal; bins of wood or plastic; boarding stairs, not of metal; mobile, for passengers; bolsters; bolts, not of metal; bottle racks; boxes of wood or plastic; broom handles, not of metal; brush mountings; bungs, not of metal; busts of wood, wax, plaster or plastic; cabinet work; cable clips, not of metal; cable or pipe clips of plastics; cases of wood or plastic; cask hoops, not of metal; cask stands, not of metal; casks, not of metal; casks of wood for decanting wine; chests for toys; chests, not of metal; chests of drawers; clothes hooks, not of metal; coat hangers; coat hooks, not of metal; coat stands; coffin fittings, not of metal; coffins; comb foundations for beehives; containers, not of metal, for liquid fuel; coral; cork bands; corks; corozo; costume stands; cots; cradles; crates; cupboards; curtain holders, not of textile material; curtain hooks; curtain rails; curtain rings; curtain rods; curtain rollers; curtain tie-backs; cushions; deck chairs; decorations of plastic for foodstuffs; desks; display stands; divans; dog kennels; door fittings, not of metal; door handles, not of metal; doors for furniture; dowels, not of metal; draughtman's tables; dressing tables; dressmakers' dummies; drinking straws; easy chairs; edgings of plastic for furniture; embroidery frames; fans for personal use, non-electric; filing cabinets; fire screens, domestic; fireguards; flagpoles; floating containers, not of metal; flower-pot pedestals; fodder racks; footstools; foundations for beehives; funerary urns; furniture; furniture fittings, not of metal; furniture of metal; furniture partitions of wood; furniture shelves; gun racks; hairdressers' chairs; handling pallets, not of metal; hat stands; high chairs for babies; hinges, not of metal; honeycombs; hooks, not of metal, for clothes rails; horn, unworked or semi-worked; house numbers, not of metal, non-luminous; hydrostatic beds, not for medical purposes; identity plates, not of metal; infant walkers; inflatable publicity objects; ivory, unworked or semi-worked; kennels for household pets; keyboards for hanging keys; knife handles, not of metal; ladders of wood or plastics; latches, not of metal; lecterns; letter boxes, not of metal or masonry; library shelves; loading pallets, not of metal; lockers; locks, not of metal, for vehicles; locks, other than electric, not of metal; magazine racks; mannequins; massage tables; mats for infant playpens; mats, removable, for sinks; meat chests, not of metal; meerscham; mirror tiles; moldings for picture frames; mooring buoys, not of metal; mother-of-pearl, unworked or semi-worked; mouldings for picture frames; nameplates, not of metal; newspaper display stands; number plates, not of metal; nuts, not of metal; office furniture; oyster shells; picture frames; pillows; pipe or cable clips of plastics; placards of wood or plastics; plaited straw, except matting; plate racks; playpens for babies; plugs, not of metal; poles, not of metal; pulleys of plastics for blinds; rattan; reels, not of metal, non-mechanical, for flexible hoses; reels of wood for yarn, silk, cord; registration plates, not of metal; reservoirs, not of metal nor of masonry; rivets, not of metal; saw horses; school furniture; scratching posts for cats; screws, not of metal; scythe handles, not of metal; seats; seats of metal; sections of wood for beehives; settees; shells; shelves for storage; shelves for typewriters; sideboards; signboards of wood or plastics; sofas; spring mattresses; stair rods; stakes for plants or trees; stands for calculating machines; statues of wood, wax, plaster or plastic; staves of wood; stools; stoppers for bottles, not of glass, metal or rubber; stoppers, not of metal; straw edgings; straw mattresses; straw plaits; straws for drinking; table tops; tables of metal; tailors' dummies; tanks, not of metal nor of masonry; tea carts; tea trolleys; tent pegs, not of metal; tool handles, not of metal; tortoiseshell; tortoiseshell imitation; towel dispensers, fixed, not of metal; transport pallets, not of metal; troughs, not of metal, for mixing mortar; typing desks; umbrella stands; valves, not of metal, other than parts of machines; vats, not of metal; vice benches, not of metal; wall plugs, not of metal; water beds, not for medical purposes; water-pipe valves of plastic; wax figures; waxcomb for beehives; whalebone, unworked or semi-worked; wickerwork; winding spools, not of metal, nonmechanical, for flexible hoses; window fittings, not of metal; wood ribbon; writing desks.

The applicant claims that it has a bona fide intention to use this mark in Belize.

ANY person desirous of making opposition to, or observations in respect of, the above-cited application, whose Number on the Register is 6641.10 should do so in writing addressed to the undersigned not later than the 29th day of October, 2010.

electronic component feeders; die bonding machines; wire bonding machines; flip chip bonding machines; assembly machines for flat panel display; thermo compression bonding machines; dry etching machines; high throughput screening system; optical disc mastering machines; optical disc replication machines; optical disc bonding machines; laser processing machines; CO₂ laser oscillators for soldering, jointing and processing; electrically operated tools for crimping cables; accessories and head attachments for electric power tools; tool bits, drill sockets and drill tips for electric power tools; chucks for electrically operated nut drivers; blades for electric cutters; electrically operated cutters for metal and or wood; machine saws for metal and or wood; replaceable blades for electric power tools; electrically operated circular saws for metal and or wood; electrically operated reciprocating saws; blades for electrically operated cutting machines, tools and apparatus; adaptors for adjusting head attachments to electric power tools; carrying cases for electric power tools; tool belts for holding electric power tools; machine parts for heat exchanger units; electrically operated tools for polishing; electric motors, other than for land vehicles; electricity generators; electricity generators, wind and or solar powered, equipped with lighting apparatus; machines for centrifugal blowers; machines for axial flow blowers; reduction gears other than for land vehicles; motors for hard disk drive; fan motors for personal computers; fan motors for office automation instruments; elevators lifts for use in factory; elevators lifts for use in building; elevators lifts for domestic use; lifting apparatus for lightings; washing and drying machines; washing machines; tubes as structural parts for clothes washing machines; clothes drying machines; dish washing machines; dish drying machines; electric compressors for use in refrigerators; electric compressors for use in air conditioners; compressors [machines]; pumps [machines]; mixing, cutting and chopping machines; electric chopping, mixing and cutting machines', for food; electric hand mixers for household purposes; electric food processors household purposes; electric can openers; electric knife sharpeners; electric coffee mills; electric food blenders for household purposes; electric juice extractors for household purposes; electric ice-cream making machines; electric meat grinders for household purposes; electric ice crushers; electric waste processors; electric garbage disposals; electric lawnmowers; blades for lawnmowers; hedge trimmers; power pruners; electric pole-pruners for household purposes; electric wood shredding machines; cultivation machines for gardening; electric agricultural sprayers; electric appliances for cleaning; electric vacuum cleaners; electric floor polishers; dirt collectors for commercial use; electric dust, lint vacuum cleaners for clothes; electric lint removers; blowing engines; electric grooming brushes to intake loose hair of pets; electric vacuum cleaners for loose hair of pets; electrical brushes for pet grooming; electric potter's wheels; wheel washing machines; ultraviolet curing machines; kitchen garbage chutes; electric staplers other than for office use; photovoltaic power generators; home electricity generation installations; water sprinkling machines for garden use; waste compacting machines;

- (b) International Class 9 for cases for cameras; electric flash lights for cameras; digital still cameras; digital cameras with functions of video camera, audio player and voice recorder; parts and fittings for digital still cameras; plain paper copiers and parts thereof; empty toner cartridges; electronic white boards; optical lenses; automatic document feeders for office use; fire-extinguishing apparatus; batteries; batteries and dry cells; battery charges for storage batteries; rechargeable batteries; nickel cadmium batteries; nickel hydrogen batteries; lithium iron phosphate batteries; lithium phosphate batteries; electric wiring apparatus; electrical connectors; electric sockets; dimmer switches and parts thereof; time switches and parts thereof; magnetic switches and parts thereof; photo-electric switches and parts thereof; electrical switches and parts thereof; detection switches; electric wiring devices with sensors; operating switches; dimmer function switches; electrical conduits of metal and accessories; flexible electrical conduits; floor ducts for housing electric cables; cable racks for electrical wires and cable laying materials; ballasts for lighting; circuit breakers; circuit closers; thermal protectors; earth leakage breakers; electric power distributing boxes; electric outlets; fixing frames for electric outlets; electric taps; popup type electric floor outlets; electric floor outlets; wires, electric; under carpet wiring installations; electrical plugs; warning apparatus and instruments other than for vehicles; monitoring televisions for use in video intercom systems; intercoms; gas leakage alarms and parts thereof; anti-theft warning apparatus; glass break detectors for anti-theft warning apparatus; thermic ray detectors for human body detector alarms burglar alarms; infrared detectors for infrared transparenance block detectors/burglar alarms; electric door chimes; radio receiving/transmitting devices for alarms; buzzers; fire alarms; fire detectors; fire alarm bells for sound equipment; smoke prevention equipment for fire interactive control panels; emergency alarm equipment manually or automatically-activated fire alarms; automated emergency notification equipment; notification equipment for fire alarms and intrusion; electric locks; electric door openers; finger print recognition equipment for access controls equipment; face recognition equipment for access controls equipment; video monitoring systems for access control equipment intrusion detection equipment; person identification alarm equipment for imaging sensors; security key boxes for key storage control alarm interactive system; remote lighting control systems; electric receivers for automatic wireless shutter open/close remote controllers; electric transmitters for automatic wireless shutter open/close remote controllers; remote controller transmitters/receivers; remote control switches for televisions or radios; radios; cassette tape players/recorders; radio cassette recorders/players; portable cassette tape players; portable radio cassette players/recorders; optical disc players/recorders/drives and parts thereof; cases for portable audio players; lens cleaning discs for optical disc players; IC memory and/or hard disc players/ recorders; MP3 (MPEG-I Audio Layer-3) players; speakers for audio equipment; stereo tuners; amplifiers; microphones; record players; slip mats for turntable; graphic equalizers; clock radios; IC recorders for voice recorders; digital sound processors; headphones; cordless headphones; earphones; karaoke sing-along machines; audio/visual software, recorded; audio disc players; iPod; built-In CD player; MP3 player: cassette adapters for reproducing sound on optical discs; apparatus for public address sound system; audio mixers; audio equipment cleaners; optical fiber cables; audio cables/video cables; car audio apparatus; car mount holders for computers, audio/visual equipment, car navigation systems; wireless microphone systems consisting of wireless microphones, wireless transmitters, wireless powered speaker, wireless receivers, wireless amplifiers, diversity tuners; digital multi equalizers; digital multi processors; power amplifiers; audio visual machines, apparatus and instruments; television receivers; cathode ray tube displays; cathode ray tubes; image pick tubes; plasma television receivers;

plasma displays; plasma display panels; power supply units for plasma display panel; stands for plasma display panels or plasma television receives; LCD television receivers; liquid crystal displays; liquid crystal display panels; projection television receivers; combined television receivers incorporating video tape recorders; combined television receivers incorporating disc players; antennas; video tuners; liquid crystal display projectors; lenses for liquid crystal display projectors; ceiling mount brackets for liquid crystal display projectors; lamps for liquid crystal display projectors; digital light processing projectors; lenses for video projectors; video cassette recorders/players; camcorders; parts and accessories for camcorders; cables for camcorders; cases for camcorders; electric viewfinders for camcorders; waterproof covers for camcorders; alternating current adapters for camcorders; batteries for camcorders; shoulder straps for camcorders; digital high definition video cassette tape recorders/players; color image large-scale display apparatus; cable television systems; hard disk drivers; audio/visual apparatus used as educational devices; electric optical display boards; multi purpose electric information display systems; surveillance cameras; closed circuit video equipment systems; electric and electronic video surveillance installations; DVD recorded software; television cameras; non-linear editing systems; DVD authoring apparatus; light emitting diode displays; USB cables; in-vehicle camera apparatus; electric wireless camera; electric wireless camera monitoring apparatus; video signal converters for network cameras; recording software exclusively used for network cameras; network camera controllers; servers for network cameras; outdoor wireless cameras with motion sensors; convertible cameras; switches for live image production; graphic processors for real time program making; sounding apparatus and machines; DVD video recorders/players; LCD video monitors, wireless displays; carrying handles for projectors; dual stacking mount brackets for projectors; downloadable electronic publication; all-in-one DVD video cassette recorders/players; table racks for liquid crystal display televisions; optical disc machines and apparatus; optical disc drives; optical disc recorders; optical disc players; optical disc changers; optical disc cartridges; optical disc mastering apparatus; facsimile transceivers; transceivers; telephones; cellular phones; cellular phone batteries; IP telephones; cordless telephones; conference speakerphones; accessories for cellular phones; telephone answering machines; global positioning system receivers; radio telephones; marine radars; radars; multi-channel access radio systems; electric traffic information apparatus; apparatus for video teleconferencing; apparatus for local area network; car navigation equipment; electronic toll collecting units for cars; remote controllers for audio/visual machines; photo printers for household purposes; video printers; multi-function printers; finishers for multi-function printers; paper feeding stands for multi-function printers; units for transporting papers for multifunction printers; units for hard disk drive for multi-function printers; memory boards for multi-function printers; document distribution systems for multi-function printers; waste containers for toners for multi-function printers; verification stamps for multi-function printers; accessibility kit for multi-function printers; G3 communication units for multifunction printers; internet facsimile units for multi-function printers; extensions units for multi-function printers; catch trays for multi-function printers; voice mail apparatus for multi-function printers; RFID reader/writer for multi-function printers; LAN boards for multi-function printers; extension cassette for multi-function printers; handset units for multi-function printers; paper cassettes for photo printers; carrying bags for photo printers; wireless conference speakerphones; in-vehicle IT terminals; facsimile machines; intelligent transport system applied to telecommunications and control technologies to address issues such as traffic accidents and congestions; visual/information distribution systems; digital broadcasting systems which consists of video cameras for digital broadcast, switchers, outside broadcast vans; multimedia learning systems consisting personal computers, recorders and software; emergency call remote controllers; on/off remote controllers; inverters for power units; sequencers for programmable logic controllers; installations for receiving high voltage electricity; power capacitors; iris reader camera systems; automatic controlling machines and instruments; computers and computer peripheral devices; computers; micro processor unit cooling fans; gateway apparatus for computer broadband network; wireless personal computer memory, card international association communication cards; recorded computer software; image scanners; printers for computers; empty toner cartridges for computer printers; compact flash cards; personal computer memory card international association adapters; PC cards; computer keyboards; floppy disk drives; card readers; card reader/writers; bar code readers; bar code scanners; time recorders; portable data terminals; electronic cash registers; terminals for point of sales systems; mobile computers; personal digital assistants; CAD/CAM systems; hard disc drives; electronic calculators; network cameras; uninterruptible power source for computers, communication and broadcasting apparatus; multi-function printers, namely, those which can be used as a printer, a scanner and a facsimile machine in one unit having network connectability; wireless LAN adaptors; Ethernet power supply adapters; SD memory data copy apparatus; network disk recorders; memory card camera recorders; memory card recorders; memory card drives; digital video cassette recorders/players; digital video cassette camera recorders; video encoder cards; car adaptors for computers; digital data storage apparatus using magnetic tapes; optical disc cartridges; DATA data storage apparatus; non-shrinkage low temperature cofired multilayer ceramic substrates; external data storage media; video cassette tapes; cleaning tapes for tape drives of audio/video tape recorders/players; D-VHS video cassette tapes; digital video cassette tapes; audio cassette tapes; floppy discs; blank optical discs; IC memory cards; secure digital memory cards; measuring apparatus and instruments; thermo luminescence dosimetry systems; dosimeters equipped with alarms; counters; ammeters; power consumption meters; electric leakage meters; electric insulation meters; thermometers, not for medical purposes; measurement system processors; micro-precision measurement devices; audio/video analyzers; oscilloscopes; modulators; voltmeters; distortion meters; electric body-fat measuring and weighing scales; weighing machines/scales; pedometers; calorimeters for physical exercise; exercising pitch gauges; breath odor meters; halitosis meters; hour meters; electricity testing and measuring instruments; power measuring equipment; motor ability training simulators; clamp meters; multi-circuit type electric power monitors; gas meters; ultrasonic gas meters; light emitting diodes; large scale integrations; one chip microcomputers; halftone image processors; semiconductor memory devices; permanent magnets; electric connectors; semiconductor lasers; CCD image sensors; metal-oxide semiconductor image sensors; film capacitors; membrane units for oxygen enrichment; electric tuner units; high frequency units; radio frequency from end system units; radio frequency modulators; coin validating units; coin selector units; bill validating units; bill selector

units; magnetic card readers/writers; speaker components; ac adapters; convergence magnets; magnet rolls; DC/DC converters; coils inductors; capacitors; filters being electrical/electronic components; light modulators; light deflectors; optical transmission components; optical coupling components; laser diode modules; photo diode modules; optical connectors; aspherical lenses; deflection yokes; thermistors; surge absorbers varistors; piezoelectric ceramics components; ceramic oscillators; surface acoustic wave oscillators; acousto-optic devices; electric resistors; potentiometers; trimmer potentiometers; thermal cutoffs; electric apparatus consisting of resistor array for interface circuits for resistance networks; electric apparatus consisting of capacitor array for interface circuits for capacitance networks; electric apparatus consisting of resistor array and capacitor array for interface circuits for resistance/capacitance networks; hybrid IC; track ball input devices; electro luminescence elements; magnetic resistive elements; electric coils; choking coils impedance; touch panels; remote control units; duplexers; surface acoustic wave devices; baluns; electric power dividers; voltage controlled oscillators; wireless communication modules/units; radio frequency modules; phase locked loop synthesizer modules; thermal printer units; bi-directional low-power wireless modules; direct current to alternating current inverters; power supply units; ballasts for discharging lamps or tubes; electrical ignition units for home appliances; micro chip fuses; electric timers; electric flat irons; electric hair curlers; electric hair irons and accessories thereof; electric eyelash curlers; electric hair curling brushes; electrical ionizing brushes for commercial use; electric hair curling irons for commercial use; electrically heated eyelash curlers for commercial use; electric fans for use in computers; counters; apparatus and instruments, all for current engineering for telecommunications, highfrequency and regulation apparatus and instruments, all for current engineering, conduction, transformation, storage, regulation and control; electricity conduits; distant measuring apparatus; levelling instruments; remote controls for lighting; electric or electronic liquid level controllers; circuit controllers; indicator panels and annunciator panels for use in factories; remote control panels for lighting; control panels for elevators; lighting control panels; voice control panels for emergency escape guiding system; relays electric; electric coils; switchboards; current converters; socket plates for covering socket outlet; voltage regulators for electric power; aerials; electric laser markers; animal alert devices using ultrasonic wave; radio transmitters/receivers and their tools for pet search; ultrasonic detectors which detect wrings, piping and intermediate posts on the back of wall in building and rooms; recorded video discs and tapes; distribution board cabinets capable of storing IT equipment; computerized indication panels for indicating presence/non-presence in offices, and systems therefore; switch gears, electric; terminals for television; pilot lamps; adapters and connectors for telephone wires; plug-in phone jacks; luminous or mechanical road signs; navigation equipment for detection of location; timers for use in factories; software for use in sequencers for programmable logic controllers; software for processing images and graphics; equipment sensors; interfaces for computers; image processing systems; appearance testers, not for medical purposes; direct current power supply units; battery chargers; electrical sockets; electric extension cords; modular jacks connectors for in-house LAN; coating materials for exposed wirings for conductor seal pipes; computerized time clocks for use in facilities; electric trouser presses; computer software for assisting programming of industrial equipment control; electric arc welding apparatus; welding electrodes; electronic component placement apparatus; electronic component insertion apparatus; soldering paste printing apparatus; adhesive dispensing apparatus for electronic component placement; laser inspection apparatus, other than for medical purposes; electronic component feeders; flip chip bonding apparatus; assembly apparatus for flat panel display; thermo compression bonding apparatus; dry etching apparatus; high throughput screening systems; optical disc mastering apparatus; optical disc replication apparatus; optical disc bonding apparatus; three dimensional profilometers; micro soldering apparatus; solder fume removing apparatus; switch units integrated with nurse call button, outlets, lights, and so on to be installed at the hospital room bed heads; electric insect killing apparatus; electric soldering machines;

- (c) International Class 11 for installations for lighting; incandescent lamps; fluorescent lamps; head lamps; fluorescent lighting fixtures; incandescent burners; electrical bulbs and lighting instruments; miniature bulbs; screw-in fluorescent lamps; torches for lighting; electric lanterns; dynamo lighting sets for bicycles; discharge lamps and fittings thereof; productive lighting instruments; wall lights; garden lights; ceiling lights; electric lamps for repelling moths; electric lighting equipments for trapping insects; electric insect trapping killing apparatus in the form of lamps; germicidal lamps; gate lights; escape lights; street lights; chandeliers; glow switch lamps; downlights; glow switch starters; desk lights; lamp sockets; lanterns; installations for cooking; automatic bread makers for home use; electric kettles; autoclaves electric pressure cookers; electric rice cookers; electric porridge cookers; electric roasters; ovens for cooking; toasters; coffee percolators, electric; coffee filters, electric; coffee roasting machines; electric cooking stoves; electric thermo pots; gas cookers; induction heating hobs; electric barbecue griddles for household purposes; electric blenders for household purposes; electric juicers for household purposes; electric hand mixers for household purposes; electric food processors for household purposes; electric meat grinders for household purposes; electric can openers for household purposes; electric knife sharpeners; electric coffee mills; microwave ovens for domestic use; gas cooking stoves with ovens; electric food pans; sinks; water faucet metal ware; electric cooking utensils; electric tea leaf grinders; electric rice cake makers for cooking; electric frying apparatus for cooking; induction heating electronic rice cookers/warmers; electronic rice cookers/warmers; built-in gas cookers; trim kits for microwave ovens; installations for refrigeration and freezing; refrigerators; gas refrigerators; freezers; cold/hot water dispensers; cold water dispensers; hot water dispensers; electric water coolers; electric ice makers; electric fans for ventilation; ventilating fans for household use; electric dehumidifiers; electric humidifiers; air curtains; air handling units; ceiling fans; roof ventilators; electrostatic precipitators for cleaning air; electric deodorizers for cars; centrifugal fans; axial flow fans; electric air purifiers; electric air purifiers; electric air purifiers for household purposes; filters for air purifiers; filters for household air purifiers; range hoods for cookers; ventilation hoods; air outlets for air conditioners; apparatus for making and supplying oxygen enriched air; heat exchange cooling units for cooling electric apparatus instruments; electric air deodorizers; installations for heating, cooling and air-conditioning; air conditioning apparatus; remote controllers for air conditioners; air conditioners for automobiles; fan coil units for air conditioning; electrically

heated carpets; electric space heaters; electric blankets other than for medical purposes; electric radiant heaters; hot-water space heating apparatus; hot water floor heating apparatus; heat exchanger, not parts of machines; electric heating equipments; electric foot warmers; electric floor heaters; gas fired heaters and hot water suppliers; heat pump units; CO2 heat pump water heaters; car seat heaters; positive temperature coefficient heaters; carbon lamp heaters; installations for sanitary purposes; toilets with washing functions; septic tanks for domestic use; septic tanks for industrial use; water purifying and mineralizing apparatus for household use; garbage incinerators; sauna baths; steam saunas; shower rooms; electric bubble dispensers; electrical foam makers for household use for body washing; cordless air dischargers for home bubble bath; shower heads; water boilers showers; instantaneous water boilers; bathtubs with wash place; bathtubs; electric air bubble bathtubs; set units of toilet bowl and seat; water boilers for bathrooms; bath boilers; toilet bowls; electrolyzed water generators; electric water heaters; toilet seat units with washing water squirters; bidets; metallic bathtubs; portable toilets; portable bidets; battery-operated scalp massagers; water heaters; gas instantaneous water heaters; dryers for hair; electric hand dryers; electric dish drying machines; electric clothes drying machines; electric hair dryers for household use; electric hair dryers for commercial use; brushes for hair dryers for household use; brushes for hair dryers for commercial use; electric appliances for domestic use; panel heaters; whirlpool baths; electrical automatic waterer for home gardening, and parts and accessories thereof; spotlights; temporary emergency lighting; emergency lights; indicator lights; mercury vapor lamps; high-pressure mercury vapor lamp instruments; sodium lamps; safety lamps light diffusers; searchlights; ventilations, air-conditioning installations and apparatus; electric refrigerators for cosmetics; dryers for pets; electric cooling/warming mats for pets; household humidifiers; household deodorizing equipment; household electric dehumidifiers; electric hand dryers; electric ionizing combs for household use; electric ionizing brushes for household use; electric ionizing combs for commercial use; electric ionizing brushes for commercial use; electrical hair curlers for household use; electrical hair curlers for commercial use; electric make-up removing appliances for household use; electric make-up removing appliances for commercial use; electric dead skin cell removers; electric face brushes for household use; electric face brushes for commercial use; electric hair steamers for commercial use; electric hair steamers for household use; electric facial equipments using ultrasonic wave, for household use; electric facial equipments using ultrasonic wave, for commercial use; electric facial treatment equipment for household use; electric facial treatment equipment for commercial use; electric esthetic massagers for household use; steam generators for facial treatment, for household use; steam generators for facial treatment, for commercial use; electric pore cleansers; electric cooler/warmers; stools for Japanese style toilet; water taps made of metal; wash basins for lavatory; bathtub units integral with wash place and dressers; electric incense burners; apparatus for shower; water softening apparatus for domestic use; water softening apparatus for commercial use; replacement cartridges for water softening apparatus; ionic water generators; water purifying apparatus; electric heaters for bathrooms; electric heaters for dressing rooms; electric stoves for bathrooms; electric water supplying instruments; electric water pressurizing apparatus; bathroom handrails, not of metal; water supply installations; automatic sprinklers for watering flowers and plants;

- (d) International Class 20 for air cushions, not for medical purposes; air mattresses, not for medical purposes; air pillows, not for medical purposes; ambroid bars; ambroid plates; animal hooves; animal horns; armchairs; artificial honeycombs; bamboo; barrel hoops, not of metal; barrels, not of metal; baskets, not of metal; bassinettes; bed casters, not of metal; bed fittings, not of metal; bedding, except linen; beds for household pets; bedsteads of wood; beehives; binding screws, not of metal, for cables; bins, not of metal; bins of wood or plastic; boarding stairs, not of metal; mobile, for passengers; bolsters; bolts, not of metal; bottle racks; boxes of wood or plastic; broom handles, not of metal; brush mountings; bungs, not of metal; busts of wood, wax, plaster or plastic; cabinet work; cable clips, not of metal; cable or pipe clips of plastics; cases of wood or plastic; cask hoops, not of metal; cask stands, not of metal; casks, not of metal; casks of wood for decanting wine; chests for toys; chests, not of metal; chests of drawers; clothes hooks, not of metal; coat hangers; coat hooks, not of metal; coat stands; coffin fittings, not of metal; coffins; comb foundations for beehives; containers, not of metal, for liquid fuel; coral; cork bands; corks; corozo; costume stands; cots; cradles; crates; cupboards; curtain holders, not of textile material; curtain hooks; curtain rails; curtain rings; curtain rods; curtain rollers; curtain tie-backs; cushions; deck chairs; decorations of plastic for foodstuffs; desks; display stands; divans; dog kennels; door fittings, not of metal; door handles, not of metal; doors for furniture; dowels, not of metal; draughtman's tables; dressing tables; dressmakers' dummies; drinking straws; easy chairs; edgings of plastic for furniture; embroidery frames; fans for personal use, non-electric; filing cabinets; fire screens, domestic; fireguards; flagpoles; floating containers, not of metal; flower-pot pedestals; fodder racks; footstools; foundations for beehives; funerary urns; furniture; furniture fittings, not of metal; furniture of metal; furniture partitions of wood; furniture shelves; gun racks; hairdressers' chairs; handling pallets, not of metal; hat stands; high chairs for babies; hinges, not of metal; honeycombs; hooks, not of metal, for clothes rails; horn, unworked or semi-worked; house numbers, not of metal, non-luminous; hydrostatic beds, not for medical purposes; identity plates, not of metal; infant walkers; inflatable publicity objects; ivory, unworked or semi-worked; kennels for household pets; keyboards for hanging keys; knife handles, not of metal; ladders of wood or plastics; latches, not of metal; lecterns; letter boxes, not of metal or masonry; library shelves; loading pallets, not of metal; lockers; locks, not of metal, for vehicles; locks, other than electric, not of metal; magazine racks; mannequins; massage tables; mats for infant playpens; mats, removable, for sinks; meat chests, not of metal; meerscham; mirror tiles; moldings for picture frames; mooring buoys, not of metal; mother-of-pearl, unworked or semi-worked; mouldings for picture frames; nameplates, not of metal; newspaper display stands; number plates, not of metal; nuts, not of metal; office furniture; oyster shells; picture frames; pillows; pipe or cable clips of plastics; placards of wood or plastics; plaited straw, except matting; plate racks; playpens for babies; plugs, not of metal; poles, not of metal; pulleys of plastics for blinds; rattan; reels, not of metal, non-mechanical, for flexible hoses; reels of wood for yarn, silk, cord; registration plates, not of metal; reservoirs, not of metal nor of masonry; rivets, not of metal; saw horses; school furniture; scratching posts for cats; screws, not of metal; scythe handles, not of metal; seats; seats of metal; sections of wood for beehives; settees; shells; shelves for storage;

shelves for typewriters; sideboards; signboards of wood or plastics; sofas; spring mattresses; stair rods; stakes for plants or trees; stands for calculating machines; statues of wood, wax, plaster or plastic; staves of wood; stools; stoppers for bottles, not of glass, metal or rubber; stoppers, not of metal; straw edgings; straw mattresses; straw plaits; straws for drinking; table tops; tables of metal; tailors' dummies; tanks, not of metal nor of masonry; tea carts; tea trolleys; tent pegs, not of metal; tool handles, not of metal; tortoiseshell; tortoiseshell imitation; towel dispensers, fixed, not of metal; transport pallets, not of metal; troughs, not of metal, for mixing mortar; typing desks; umbrella stands; valves, not of metal, other than parts of machines; vats, not of metal; vice benches, not of metal; wall plugs, not of metal; water beds, not for medical purposes; water-pipe valves of plastic; wax figures; waxcomb for beehives; whalebone, unworked or semi-worked; wickerwork; winding spools, not of metal, nonmechanical, for flexible hoses; window fittings, not of metal; wood ribbon; writing desks.

NOTICE OF OPPOSITION

TAKE NOTICE that the Registrar is in receipt of a notice of opposition filed by British American Tobacco (Brands) Inc., of 2711 Centreville Road, Suite 300, Wilmington, Delaware 19808, against trademark Application No. 6666.10, filed on the 18th day of March, 2010, by Bommidala Enterprises Private Limited (The Applicant), of 8-24-53 Mangalagiri Road, Guntur 522001, Andhra Pradesh, India, for the registration of the following trademark, as proprietor thereof:

The Opponent opposes the above trademark Application on the grounds that:

1. The Opponent has prior registrations in Belize of the following trademarks:
 - (i) “LUCKY STRIKE” (word trade mark) under Reg. No. 8228 registered on the 19th day of November, 2006;
 - (ii) “LUCKY STRIKE” (design trade mark) under Reg. No. 4081.06 registered on the 8th day of September, 2006; and
 - (iii) “LUCKY STRIKE” (design trade mark) under Reg. No. 289 registered on the 11th day of January, 2007; and
2. the design mark relating to the Applicant’s current Application No. 6666.10 (“LUCKY GOLD mark”) is confusingly similar to the Opponent’s Prior Registrations and seeks to be registered for goods or services identical with or similar to those for which the Opponent’s Prior Registration as earlier trademarks are protected;
3. the LUCKY GOLD mark would therefore cause, if registered, a likelihood of confusion on the part of the public, which includes the likelihood of association with the Opponent’s Prior Registrations as earlier trademarks;
4. further, the Applicant’s LUCKY GOLD mark would take advantage of the repute of the Opponent’s Prior Registrations and LUCKY STRIKE goods, products and brand name which all relate to trade marks protected by the Opponent’s Prior Registrations;
5. the LUCKY GOLD mark would therefore, if registered, take unfair advantage of, or be detrimental to, the distinctive character or the repute of the Opponent’s Prior Registrations as earlier trademarks;
6. The Opponent respectfully requests that the subject application for the Applicant’s trade mark be refused registration.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

DATED this 16th day of August, 2010.
