EDITOR'S NOTE

Dear Reader

BELIPO 2007 CLIENT SURVEY

We have launched our 2007 Client Survey on Friday July 13, 2007. The Survey features a Client Feedback Form that can be used to comment on the various aspects of our operations. The form can be completed online at www.belipo.bz and submitted anonymously.

We urge you to participate in this Survey and help us develop an ongoing process for actively listening to you and responding to your needs. Such a client relationship management process usually has the following advantages –

- helps an organization identify problem areas, set priorities and focus resources more effectively;
- results in greater client satisfaction.

It may be recalled that satisfied clients make for satisfied employees.
