The Applicant hereby gives notice that the following are the grounds on which it relies as supporting the above trademark application-

1. despite a search of the Belize Companies Registry's registers, it does not show Southern Marketing for Appropriate Research and Technology Limited being registered as a company here in Belize;
2. the Opponent's trademark is an unregistered trademark;
3. there is nothing in the Trademark Act or the Trademark Rules which restricts the registration of the Applicant's trademark where it is being opposed by an unregistered trademark;
4. the Opponent's name is Southern Marketing for Appropriate Research and Technology Limited and the word S.M.A.R.T. is simply the acronym for the Opponent's name;
5. Class 35 is one of the classes that most trademarks register under, simply because it accords with the business of any trademark. It is a general class that is applicable to most trademarks and businesses;
6. the business of the Opponent is completely different from that of the Applicant and there is no likelihood of there being any confusion on the part of the public therefore the likelihood of the Opponent's company name being mistaken for or associated with the Applicant's trademark is none existent.

The Applicant does not admit any of the allegations in the Notice of Opposition.
