I. NOTICE OF ANSWER TO OPPOSITION

ANSWER TO OPPOSITION

TAKE NOTICE that the Registrar is in receipt of an answer to opposition filed by Chemical Specialties of Belize (Production and Distribution) (The Applicant), of 521 Buttonwood Bay Blvd., Belize City, Belize, to an opposition by Alexander Nicholson (The Opponent) of San Pedro Town, Ambergris Caye, Belize, filed on the 20th day of May, 2005, against trade mark application No. 2904.05 filed, on the 11th day of February, 2005, by the Applicant:

The Applicant hereby gives notice that the following are the grounds on which it relies to support the above trademark application-

1. the trademark is not identical to that of the Opponent;
2. the trademark is to be registered for goods which are not identical with or similar to those of the Opponent's mark;
3. there is no likelihood of confusion on the part of the public as the products are very different from each other;
4. the mark of the Opponent is an unregistered mark in Belize;
5. the mark is not well-known throughout Belize;
6. the Applicant's mark is well-known throughout Belize. Further, the Applicant's mark is heavily marketed in Belize and is sold in 78 stores, gift shops, supermarkets, pharmacies throughout the entire country;
7. the Applicant does not admit that there is a distinctive character or repute of Ms. Nicholson's mark;
8. further, and in the alternative, in the event that there is any, the use of the Applicant's mark will not take advantage of, or be of detriment to the distinctive character or repute of Ms. Nicholson's mark;
9. the Applicant's mark is so presented graphically that it distinguishes itself and the Applicant's goods from those of Ms. Nicholson's ;
10. there has been an honest concurrent use of the Applicant's trademark in Belize. The applicant has spent thousands of dollars in producing the graphical presentation of the mark and in the marketing of its goods throughout Belize.

There is no passing off-

1. the Opponent does not have a reputation or goodwill attached to identical or similar goods or products to which the Applicant's mark is associated;
2. the Applicant does not by the use of this mark make a representation to the public, neither intentionally or not, which would lead or is likely to lead the public to believe that the goods offered by the Applicant are the goods or services of the Opponent. The Applicant's products are very well and explicitly labeled and it is highly unlikely that the public would believe that the Applicant's product is that of the Opponent;
3. the Opponent will not suffer any loss or substantial damages to any goodwill she may have as a consequence of any erroneous belief that the Applicant's goods or use of the mark are the goods or mark of the Opponent;
4. the Opponent's mark is not an earlier mark as it is neither a registered mark nor an international trade mark;
5. the Opponent's mark is not one which is entitled to protection under the Paris Convention as a well-known mark.

The Applicant's product is well-known in that:

1. there is a high degree of knowledge or recognition of the Applicant's mark throughout all sectors and communities of the public of Belize;
2. the duration of use of the mark has been 6 months but the extent and geographical area of the use of the mark has been wide;
3. the Applicant has extensively been promoting the goods and by extension the mark since January 2005, throughout the country by face to face marketing and advertisements on television and newspapers;
4. the Applicant's products to which the mark applies have been displayed and presented at the following fairs and exhibitions;
5. the Applicant's mark and its graphical presentation is associated with the Applicant and the Applicant's company;
6. Miss Nicholson's mark is not one which falls within the categories of works in which copyright under the Copyright Act of Belize, Chapter 252 of the Revised Laws of Belize, 2000, may subsist. It is neither:
 - (a) an original, literary, dramatic, musical or artistic work;
 - (b) a sound recording, film, broadcast or cable programme; nor
 - (c) a typographical arrangement of a published edition.

It is therefore not eligible for copyright protection and therefore cannot rely on s 37 (4) of the Trademarks Act.

DATED this 30th day of June, 2005.
