DATED this 21st day of January, 2022.

NOTICE OF OPPOSITION

TAKE NOTICE that the Registrar is in receipt of a notice of opposition filed on the 23rd day of December, 2021, by FORMULA ONE LICENSING B.V., (The Opponent), of Beursplein 37, Rotterdam, 3011AA, The Netherlands, against trademark Application No. 16010.20, filed on the 10th day of March, 2020, by NOVEL FLIP (The Applicant), of San Lazaro Village, Orange Walk District, Belize, for the registration of the following trademark, as proprietor thereof:

The grounds of opposition are as follows:

1. The Opponent is a part of a global group of companies which includes Formula One World Championship and Formula One Management Limited together with other affiliates (the "Formula 1 Companies"). These companies are responsible for the commercial organization of the series of motor races known as the FIA Formula One World Championship (the "Championship"). For over half a century, the "Formula 1 Marks" including the F1 and FORMULA 1 word marks and logos have been used in connection with the Championship which is considered to be the pinnacle of motor racing. The FIA Formula One World Championship is one of the three most influential sporting events in the world (the other two being the Olympic Games and FIFA World Cup). It enjoys a unique reputation as the most prestigious brand of motor racing in the world.
2. The races that count towards the Championship are broadcast in around 200 countries, including Brazil, and Formula 1 racing regularly attracts an annual TV audience of over 470 million unique TV viewers, has over 42 million social media followers, and had 4.2 million race attendees in 2019.
3. The first series of the Championship organised by the FIA (the world governing body for motor sport) under the trade marks GRAND PRIX and FORMULA 1 was in 1950, and the Championship has been held annually every year since. The Championship consists of a series of automobile motor races each year which take place at various locations around the world. In the past there were approximately sixteen (16) races held per year but since the turn of the century, some race locations have changed and new races have been added to the calendar, resulting in there now being approximately twenty three (23) races per season. The Championship comprises Formula 1 events located in countries in Europe, Australia, North America, South America and Asia, with historically around half the races taking place in Europe. Each event is usually held over a weekend and will typically consist of a number of Formula 1 practice sessions on Friday and Saturday, qualifying for the Formula 1 race on Saturday and the Formula 1 race itself on Sunday. There have been over 1,000 Formula 1 races in more than 30 countries over the past 70 years.
4. The Formula 1 Companies' trademark portfolio is protected around the world by thousands of trademark registrations with numerous more applications pending. Currently, this total stands at over 4700 filings worldwide.
5. The Opponent has a Prior Registration in Belize of the "F1 FORMULA 1 and DESIGN" trade mark under Reg. No. 11745.15 registered on the 12th day of April 2016 and has various other ongoing applications relating to its relevant FORMULA 1 and F1 trademarks in Belize.
6. The mark contained in the Applicant's said Application No. 16010.20 contravenes section 37(3) of the Trade Marks Act, Chapter 257 of the Laws of Belize, Revised Edition 2000 and amendments and should not be registered by virtue of the fact that it is identical with or similar to the Opponent's trade mark as earlier trade mark and is not to be registered for goods or services which are not similar to those for which the Opponent's trade mark as earlier trade mark is protected but the Opponent's trade mark as earlier trade mark has a reputation in Belize and the use of the mark contained in the Applicant's said Application without due cause would take unfair advantage of, or be detrimental to, the distinctive character or the repute of the Opponent's trade mark.
7. The Opponent's unregistered trademarks are entitled to protection under the Paris Convention as well-known trade marks and therefore earlier trade marks pursuant section 38(1)(b) of the Trade Marks Act.
8. The Opponent respectfully requests that the subject application for the Applicant's trade mark be refused registration.

The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.

DATED this 21st day of January, 2022.
