providing an Internet website portal featuring live and pre-recorded audio-visual content in the field of entertainment news and information specifically sports, comedy, drama, music, and music videos; entertainment services, namely, displaying and showing motion pictures, television programming, videos, music videos, and music, and video clips, audio clips, music clips, film clips, and photographs; entertainment services, namely, providing a website featuring video and interactive games; providing online information via wireless networks, the Internet and global, regional, and local computer networks, in the fields of motion pictures, television programming, videos, music videos, and music; Transmission of interactive television program guides; electronic publishing services, namely, online publication of text, graphics, photographs, images, and audiovisual works of others for streaming or downloading, featuring news, entertainment, sports, comedy, drama, music, and music videos; rental of motion pictures; rental of sound recordings; rental of video games; production and distribution of video and computer game software in the field of entertainment, sports, music and music videos; providing a website featuring blogs in the nature of an online journal over the Internet featuring current event

reporting, entertainment, sports, comedy, drama, music, and music videos; **42** for software as a service [SAAS] services, namely, providing temporary use of non-downloadable software for streaming live and pre-recorded audio-visual and multimedia content via wireless networks, via the Internet, and via global, regional, and local computer and communications networks; providing temporary use of non-downloadable software development tools for streaming live and pre-recorded audio-visual and multimedia content to mobile electronic devices; providing non-downloadable software development tools for searching, organizing, and recommending multimedia content; hosting of digital content on the Internet; hosting an on-line community web site featuring audio-visual content in the fields of news, entertainment, sports, comedy, drama, music, and music videos; development of computer platforms; platform as a service [PaaS]; Application service provider featuring application programming interface [API] software for integration of video content into websites.

**STATEMENT OF USE:** The applicant claims that it has a bona fide intention to use the mark.
