NOTICE OF ANSWER TO OPPOSITION

TAKE NOTICE that the Registrar is in receipt of an answer to opposition, filed on the 17th day of March, 2023, by **KUESKI, S.A.P.I. DE C.V. SOFOM, E.N.R.** (The Applicant), of Av. Américas 1297, Int. Piso 03-15, Col. Circunvalación Américas, Guadalajara Jalisco, C.P. 44630, Mexico, to the Opposition by **LLAPINGACHO LLC** (The Opponent) filed on the 2nd day of February, 2023, against trade mark application No. 17181.21 file on the 29th day of July, 2021, for the registration of the following trade mark, as proprietors thereof:

The Applicant hereby gives notice that the following are the grounds on which it relies as supporting the above trade mark:

1. The Applicant is domiciled in Mexico since 2012 and has been using its mark "KUESKI" since 2013. The Applicant has sought to protect its mark in the Latin American and Caribbean region. To this end, the Applicant has filed an application in Belize for registration of its mark "KUESKI & Design" in Class 36 on or around the 29th July 2021.
2. The Applicant's trade mark is entitled to protection under the Paris Convention as a well-known trade mark and as an earlier trade mark pursuant section 38(l)(b) of the Trade Marks Act.
3. The Applicant has filed Oppositions against the two (2) marks mentioned in the Opponent's Notice of Opposition, identified as Application Nos. 17043.21 and 17044.21, since 12th May 2022, notice of which was duly published in the Intellectual Property Journal of the Belize Intellectual Property Office ("Belipo") dated 24th June 2022 (the "Applicant's Oppositions").
4. The marks contained in the Opponent's said Application Nos. 17043.21 and 17044.21 contravenes sections 37(1) and 37(2) of the Trade Marks Act, Chapter 257 of the Laws of Belize, Revised Edition 2000 and amendments and should not be registered by virtue of the fact that it is similar to the Applicant's trade mark as earlier trade mark and is to be registered for goods or services identical with or similar to those for which the Applicant's trade mark as earlier trade mark is protected which would cause a likelihood of confusion on the part of the public, which includes the likelihood of association with the Applicant's trade mark as earlier trade mark.
5. The marks contained in the Opponent's said Application Nos. 17043.21 and 17044.21 contravenes section 37(3) of the Trade Marks Act, Chapter 257 of the Laws of Belize, Revised Edition 2000 and amendments and should not be registered by virtue of the fact that it is identical with or similar to the Applicant's trade mark as earlier trade mark and is to be registered for goods or services which are not similar to those for which the Applicant's trade mark as earlier trade mark is protected but the use of the marks contained in the Opponent's said Application without due cause would take unfair advantage of, or be detrimental to, the distinctive character or the repute of the Applicant's trade mark.

6. Further, the marks contained in the Opponent's said Application Nos. 17043.21 and 17044.21 contravenes section 35(6) of the Trade Marks Act and should not be registered by virtue of the fact that the Opponent's application for registration of the said mark, as well as these present opposition proceedings, have been made in bad faith.
7. The Applicant otherwise repeats its Grounds of Opposition set out in the Applicant's Oppositions.
8. This Opposition should therefore be refused and the Applicant's mark should proceed to registration.
9. The Applicant should be awarded costs in the matter.
