## **NOTICE OF OPPOSITION**

**The Applicant is required to submit a response to this notice, to the Registrar, no later than 30 days from the date of publication of this notice.**

**TAKE NOTICE** that the Registrar is in receipt of a notice of opposition filed on the 2<sup>nd</sup> day of August 2023, by **Sugar Santander Group** (The Opponent), of Meditation Area P.O. Box 769, Cayo District, BELIZE C.A., against trademark Application No. 16811.21, filed on the 1<sup>st</sup> day of March, 2021, by **Belize Sugar Industries Limited** (The Applicant), of Tower Hill, P.O. Box 29, Orange Walk Town, Orange Walk District, Belize, for the registration of the following trademark, as proprietor thereof:

**BELIZE SUGAR**

**The grounds of opposition are as follows:**

1. The opposition is based on the general trademark structures such as distinctive features of a brand, or any unique trait that attracts customers attention to the good and signals that the brand is special and unlike any other. There is nothing special about the common words Belize Sugar in and of itself, and no one should have exclusive rights to it. The filing of BELIZE SUGAR is not unique, it lacks distinctive features for it to be deemed as unique to the company making such application. Belize Sugar does not represent a unique name or slogan of the brand as it lacks both verbal designations and graphic images and is simple by definition of a trademark. This should therefore not be considered as a trademark. Any producer in Belize utilizing the words "Belize Sugar" in its branding will face branding issues and can be considered as infringing on such trademark.

**TAKE NOTICE** that the Registrar is in receipt of a notice of opposition filed on the 16<sup>th</sup> day of August 2023, by **KARINA ENTERPRISE LIMITED** (The Opponent), of No.8 Victory Plaza, Commercial Free Zone, Santa Elena Border, Belize, against trademark Application No. 17698.22, filed on the 18<sup>th</sup> day of February, 2022, by **Premium International Holding Ltd.** (The Applicant), of Trident Chambers, P.O. Box 146, Road Town, Tortola, British Virgin Islands, for the registration of the following trademark, as proprietor thereof:

**The grounds of opposition are as follows:**

1. The Opponent, KARINA ENTERPRISE LIMITED, has been in existence since 2010 and is well-known for the production, manufacture, distribution and sale of goods bearing the 'PLATINUM' mark in Belize for over 12 years.
2. The Opponent is domiciled in Belize, with physical offices and operations in that country, and it is the owner of the 'PLATINUM' trademark. By virtue of Certificate of Registration No. 7407.10, dated on May 4<sup>th</sup> 2011, the Opponent is the registered proprietor of the 'PLATINUM' mark in Belize and has enjoyed uninterrupted ownership of its mark for over twelve years. The Applicant's mark,

“”, was filed for application on for on the 18<sup>th</sup> day of June 2022. By virtue of the prior filing, the Opponent has a right of priority in Belize as a first-to-file jurisdiction and/or alternatively under s. 37 (4) (b) and/or s. 37 (5) of the Trade Marks Act.

3. The Opponent's mark is a well-known trade mark which qualifies for protection under the Paris Convention for the Protection of Industrial Property, in particular but not limited to Article 6b thereof, which is given full effect under the Trade Marks Act.
4. The details of the Opponent's trademark registration are as follows:

The trademark "PLATINUM" has been registered in Class 34 and used in Belize for over 12 years, the Mark has significant market presence, is well-known among members of the relevant public, and clearly signifies the origin of the relevant goods as being from the Opponent's business, as distinct from other undertakings.

5. The proposed mark “” which the Applicant has applied to register is similar to the Opponent's earlier trademark because:
  - i. The word "PLATINUM" appearing in the Applicant's mark is prominently displayed and should be considered the dominant feature of the mark. The word "PLATINUM" appearing in the Applicant's mark is identical to the Opponent's Mark and, there is a stronger similarity between the marks, resulting in higher likelihood of confusion.
  - ii. The Applicant's mark features a large capital letter "P" underneath the said "PLATINUM" word, indicating direct association with the word "PLATINUM" appearing on the Applicant's mark, and 'PLATINUM' is the Opponent's registered trademark;
  - iii. The dominant 'PLATINUM' feature of Applicant's mark is visually, aurally and phonetically identical and/or otherwise similar to the Opponent's PLATINUM mark.

6. The application for “” is in respect of goods in class 34 cigarettes; cigarillos; cigars; lighters for smokers; match boxes; snuff; tobacco; electronic cigarettes; oral vaporizers for smokers; flavourings, other than essential oils, for tobacco; chewing tobacco; hookah tobacco.
7. These goods and/or services referred to in [6] are identical or similar to goods and/or services for which the Opponent's said trademarks are registered and used, which would increase the likelihood of confusion referred to in [5] above, and the Applicant's mark ought therefore not to be registered.

8. Further and / or in the alternative, the Applicant's “” mark ought to be refused registration in accordance with Section 35(6) of the Trade Marks Act, as the filing of the application constituted an act of bad faith, as the Applicant was aware of the Opponent's earlier trademark and sought to invalidate the registration of its mark and was unsuccessful, as indicated in the Notice of Ruling dated 3<sup>rd</sup> February 2023. The Applicant’s application for registration was filed after the Applicant Initiated the said opposition proceedings and the instant application is therefore lodged in bad faith.
